Ref: *RFQ 2013-2014 Design Build Paving and Fencing project*

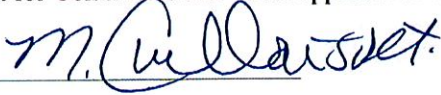

Sheriff Cuellar, the evaluation committee for the paving and fencing project has completed its final evaluation of the subject solicitation for qualifications and has unanimously concluded that Temprite Mechanical, Inc. is the recommended design team for this project. Both Design Teams are local businesses that have been exposed to multiple County projects, your staff has worked with both Companies and it is our recommendation that Temprite Mechanical, Inc. is overall the most qualified Team and has in the past; provided quality work, dependable services and is a reputable company in Webb County.

Thank you and please let me know if you require more information on our formal recommendation to select Temprite Mechanical, Inc. as the successful Team for the Paving/Fencing project for the Sheriff's Administrative Building.
