What is the impact or risk potential if we don't purchase item(s)? If we cannot purchase the computers, we will need to let one employee go because he has no working equipment with which to do his job. We are already extremely short staffed. Without a new autopsy saw we cannot complete required autopsies.

Yes (some) No (some)

If the purchase is to replace item(s) is the item(s) being replaced currently in use?

What is the purpose of each item(s) requested? 1. Computer with updated software are needed for the employees to do their jobs. The computer is an old hand-me-down with old software and cannot support the MEI database program. 2. Autopsy Saw is needed to complete autopsies (cutting through rib cage and removing brains). The average life of one saw is 1-2 years.

Do you have 3 quotes for all items listed above? Yes _____ No Items are under contract.

Total Cost of item(s) being purchased: \$ 4090.16
