> Jimena Elizondo and Ernesto Salcedo's journey to Korean began in March were they attended State in Dallas Tx. She placed 1st in state and he placed 2nd, they both automatically qualified to try out for the Texas Team. Both then attended Nationals in San Jose California from July 2-7. She placed 3rd at Nationals and Ernesto lost his qualifying match. After Nationals they flew into Houston on July 7 and flew out to Korea on July 8 to attend their first International Tournament. They both fought in the city of Kyungju at the 2014 Korean Open. During Jimena's matches her first opponent forfeit after seeing her and was then told she would have to fight a boy for first place. She beat him 20-0 to earn her Gold Medal. Ernesto unfortunately lost but tried his hardest. They then attended a 2 week long World Camp Seminar in Muju, Korea where they worked with some of the best in the world.
