**OWNER'S AFFIDAVIT
REGARDING PROPERTY DEVELOPMENT LIMITATIONS
AND THE PROVISION OF WATER AND ELECTRICAL UTILITIES PURSUANT TO
SECTION 232.029(C)(2) TEXAS LOCAL GOVERNMENT CODE**

STATE OF TEXAS §
COUNTY OF WEBB §

CORRECTION
AFFIDAVIT OF Raymond Hernandez

SUBJECT PROPERTY: An unplatted .98 acre tract of land, more or less, out of Tract 8, La Presa, as further described in Vol. 565, Pgs. 206-207, Webb County Deed Records.

Before me, the undersigned Notary Public, on this day personally appeared Raymond Hernandez and under oath deposed and said as follows:

"My name is Raymond Hernandez, I am of sound mind, over the age of twenty-one years, and legally competent to make this affidavit. I have personal knowledge of the facts stated herein and state that such facts are true and correct. I own the above-referenced subject property containing an office, mechanic shop and animal pen as further depicted on the attached sketch as Exhibit A.

(Note: This affidavit replaces affidavit recorded in Volume 3680, Pgs. 364-366, Webb County Official Public Records, which erroneously identifies a request for water utilities instead of electricity.)

In conjunction with a request for electricity under the provisions of Section 232.029(c)(2) of the Texas Local Government Code I hereby certify of the following:

1. The above-referenced subdivided land is a "lot of record" as defined by Section 232.021(6-a), TLGC as evidenced by the attached property conveyance instrument recorded on 09/27/1976 in Vol. 565, Pgs. 206-207, of the Webb County Deed Records and that said land has not been further subdivided.
2. Pursuant to the provisions of Section 232.029(d)(1), TLGC, I am not the property's subdivider nor the agent of the subdivider.
3. The property subject to this request is served by a licensed on-site sewage facility (OSSF) under License No. WC00026 and no other sewer discharge exists on the property.
4. I understand that I must secure a development permit to construct or place any other structure on the property and may be required to modify the existing OSSF license to accommodate additional discharges.
5. I further understand that I may not subdivide through sale or lease any portion of this property until I secure a plat or replat of the property approved by the local government with jurisdiction over the property (currently the Webb County Commissioners Court)."

"I am making this affidavit at my own free will and without duress. I understand that these conditions are necessary for securing electricity to my property and structures under the stipulations contained herein."

"I understand that I am making this statement and submitting this affidavit as a government record and that it is being relied upon by government agencies for the purpose of confirming that the law allows for the use and connection of the property as I have described above. I understand that making false statements in this affidavit is a crime."
