Re: E&O and Pollution Liability

I have evaluated the final renewal item pending for the County's property casualty program. The renewal notice for Errors & Omissions and Pollution coverage met or exceeded the coverage expectations. The coverage cost for E&O as offered thru Nat'l Union Fire 2014-2015 will be \$7065.00 annually. The coverage cost for Pollution liability will be \$17,624.88 for the same plan year as offered thru Illinois Union. The renewal was submitted by Webb County's current agent McGriff and Seibel's. The coverage outline is consistent with prior year coverage with no changes to the limits of liability. After evaluating both offers, I recommend a renewal of the E&O and the Pollution Liability for budget year 2015.
