

Webb County Emergency Management Program

Webb County Emergency Management Program 2014-2015 Priority Actions and Implementation Plan

Vision

The Webb County Emergency Management Program seeks to build a resilient community that fosters preparedness and community-wide collaboration through partnerships with local, private, and non-governmental organizations.

Mission

The Mission of the Webb County Emergency Management Program is to provide a comprehensive and integrated emergency management system that coordinates community resources to protect lives, property and the environment through mitigation, preparedness, response, and recovery efforts from all natural and man-made hazards that may impact our county.

Strategic Areas of Focus

- Community Awareness and Partnerships
- All-hazards Planning
- Preparedness and Response Training
- Multi-agency Exercises and Drills

Priorities

- Establish Domestic Preparedness Committee/Local Emergency Planning Committee
- Review and update Webb County Emergency Operations Plan, Dated 2011
- Review, update, and establish agreements for shelter operations
- Gather and update a county-wide resource list
- Identify training, exercise, and equipment needs necessary for safe and effective emergency response
