<b>Net Total</b>	<b>\$8,888.88</b>

The above is an estimate based on our inspection and does not cover any additional parts or labor which may be required after the work has started. Occasionally, worn or damaged parts are discovered which may not be evident on the first inspection. Because of this, the above prices are not guaranteed. Quotations on parts and labor are current and subject to change.

*This is a preliminary estimate. Additional changes to the estimate may be required for the actual repair.*

*TruckEst does not automatically include items required by many business repair partners. This application allows the author to manually enter line items such as overlap deductions.*
