Joe,

It will take court action.

Subject: legal direction on this

Jeff and Ramon,

I'm currently updating our 1033 application for surplus property due to State by 20th. This is needed since we have a new County Judge I had to resubmit. My question is the following, can you please look at page 5 – 16 and let me know if its ok for the Sheriff to just sign that agreement... or does it require Court action?

as per the definitions on document he is the Chief Executive Officer and that is the only signature required. Let me know what you think.

thanks,

JAL
