Dear Mr. Perez-Garcia:

The Texas Department of Transportation would like to proceed with entering into an Off State System Bridge Agreement with the County. The current estimate for the up-front local match County responsibility for Preliminary and Construction cost on this project is approximate \$20,875.00.

Please sign and return the two advance funding agreements with a resolution to our office for further processing. Please note that the State will require your initial participation in the amount of \$1,276.00 after 30 days once the agreement is fully executed by both parties.

Should you have any questions, please contact Gustavo Elizondo at (956) 712-7462.

Sincerely,

Melisa D. Montemayor
District Administrator
Laredo District
