THE STATE OF TEXAS:

COUNTY OF TRAVIS:

WHEREAS, the Veterans Land Board of Texas, hereinafter called SELLER, has, in accordance with the provisions of Article III, Section 49-b, Constitution of Texas, and Acts of the 51st Legislature, R. S., 1949, Chapter 310, as amended, and in accordance with the Resolutions passed by the Veterans Land Board, together with the Rules and Regulations promulgated by said Board, purchased a tract of land, hereinafter described in this instrument; and,

WHEREAS, Mike J. Urdiales,
of Webb County, Texas, hereinafter called BUYER, has complied with the requirements of said Board to purchase said land in accordance with the above provisions, which are made a part of this contract for all purposes:

NOW, THEREFORE, THE FOLLOWING PARTIES DO MAKE THIS AGREEMENT:

1. The Veterans Land Board of the State of Texas, acting by and through its Chairman, or Acting Chairman, for the consideration hereinafter mentioned, and the mutual promises hereinafter made, the sufficiency of which are hereby acknowledged, as Seller, agrees to sell, and Buyer agrees to buy, the hereinafter described tract of land, located in Webb County, Texas.

2. It is hereby agreed between the Seller and the Buyer that all of the conditions, limitations and requirements, as well as all benefits and penalties contained in the Constitution of Texas, the Acts, as amended, the Resolutions and the Rules and Regulations, above referred to, shall be binding upon the parties hereto in the same manner as if they were fully recited herein.

This contract is subject to any reservations or exceptions set out in the deed, or deeds, by which this land was conveyed to the Seller, Veterans Land Board, if not incorporated herein.

3. The total consideration for this purchase is Ten Thousand and No/100 (\$ 10,000.00)

Dollars, of which the sum of Four Thousand Two Hundred Five and No/100 (\$ 4,205.00) Dollars has been paid. The unpaid principal of Five Thousand Seven Hundred Ninety-Five & No/100 (\$ 5,795.00)

It is further agreed and understood that Buyer may on any installment date pay or cause to be paid any or all of the unpaid principal and accrued interest, but payment of a portion of the unpaid principal will not relieve Buyer from payment of the semi-annual installments thereafter in the amounts above set out until the total purchase is paid. This contract in no event shall extend over Forty (40) Years from the date of execution hereof.

The tract of land being sold and purchased under this Contract of Sale and Purchase is described as follows:

BEGINNING at a 1/2" steel rod at the northwest corner of Lot B-4 and southwest corner of Lot B-4 for the southwest corner of this tract;

THENCE N. 22°08' W. 321.50 feet with the southwest line of Lot B-4 to a 1/2" steel rod set for the northwest corner of this tract;

THENCE N. 67°59'16" E. 1375.27 feet to a 1/2" steel rod set for the northeast corner of this tract;

THENCE S. 22°15'55" E. 321.50 feet with the northeast line of Lot B-4 to a 1/2" steel rod, the northeast corner of Lot B-5 and the southeast corner of Lot B-4 and this tract;

THENCE S 67°59'16" W. 1376.01 feet with the common line of Lot B-4 and Lot B-5 to the place of beginning.

4. It is further agreed and understood that if any timber, gravel, sand, rock, chemical, hard metal, or soil of any substance or character, or any other interest or rights in and to said lands, improvements, or appurtenances thereto, is sold by the Buyer, the removal of which would deplete the corpus of the land, at least One-Half ($\frac{1}{2}$) of the net proceeds received therefrom, plus such additional portion of the net proceeds as may be necessary to retire any delinquencies, shall be paid to the Veterans Land Board, to be applied toward the payment of any unpaid balance of principal due or any delinquencies. Payments made in this manner shall not relieve the Buyer of his regular semi-annual installment payments or reduce the semi-annual payments hereinabove specified. No sale made under the provisions of this paragraph shall be effective until the same has been approved by the Chairman, or Acting Chairman, of the Board.

5. Buyer shall have the right to execute mineral leases on the above described lands, subject to approval of the Chairman, or Acting Chairman, of the Veterans Land Board. If an oil, gas or other mineral lease covering said lands, or any portion thereof, is in existence on the effective date of this contract, or is thereafter created, at least One-Half ($\frac{1}{2}$) of all bonuses, delay rentals and royalties payable thereunder shall be paid directly to the Board by the owner of such lease, and shall be applied toward the payment of any unpaid principal or delinquencies. Such payments shall not, however, relieve Buyer of making the regular semi-annual installments when due, or reduce the amount thereof. So long as the installments due hereunder are timely paid, the remaining One-Half ($\frac{1}{2}$) shall be paid directly to the Buyer, or to his credit by said lease owner; however, in the event the Buyer becomes delinquent in making his semi-annual payments as above set forth, the owner of such lease shall, upon receipt of written notice of such delinquency from the Board, make payment directly to the Board of the portion of the bonuses, delay rentals or royalties which otherwise would be payable to the Buyer, and such payments shall be applied to reduce the existing delinquency.

6. Buyer agrees to prevent encroachment on said lands, agrees to prevent any waste thereupon, to protect the rights of the Board as purchaser of said lands, to keep all improvements insured at all times, whether the buildings are occupied or unoccupied, and in the amounts specified by the Board. The insurance policy shall be written in the name of the Buyer, with loss payable or mortgage clause to the Board, as its interest may appear; and the original insurance policy shall be filed with the Buyer's Contract in the General Land Office, at Austin, Texas.

7. Buyer understands that this Contract of Sale and Purchase can only be transferred with the approval of the Seller and only on forms and by following instructions furnished to him by the Seller and that the contract cannot be transferred, sold or conveyed until he shall have enjoyed possession for a period of three (3) years from the effective date hereof, after which period Buyer may transfer, sell or convey said property, subject to approval of the Seller; provided however as the only exceptions allowed by law, that the said property may be transferred, sold or conveyed prior to the expiration of said 3-year period in the event the Buyer dies or becomes financially incapacitated and provided further, that in making any transfer, sale or conveyance of said property, the Buyer, as assignor, may not reserve any interest therein. These provisions shall not be construed to prohibit Buyer from transferring, selling or conveying the property at anytime upon payment in full of the entire indebtedness to Seller.

8. Buyer agrees to furnish Seller, on or before May 1st of each year hereinafter and during the term of this contract, evidence that all taxes for the previous year have been paid in full.

9. It is fully understood by the Buyer that he or any of his assignees shall be jointly and severally liable for any and all moneys due under this Contract of Sale and Purchase, and Buyer shall be primarily liable for such payments; and if at any time it becomes necessary for Seller to forfeit this contract, then the full amount of delinquent installments, interest and other penalties as may be due at the time the forfeiture occurs, may be collected by Seller from Buyer, or his assignees, or both.

10. When the entire indebtedness due by the Buyer under this contract is paid, Seller agrees to execute a deed, under its official seal, to the original purchaser of said land, or to the last assignee whose assignment has been approved by the Seller.

11. It is further agreed and understood that in the event a patented survey contains excess acreage, and any portion thereof has been included herein, or that unsurveyed school land is contained within the boundaries of said lands, Seller, by the execution of this contract, or any deed pursuant thereto, does not purport to grant, sell or convey any right, title or interest in and to said excess or unsurveyed school land to Buyer, his heirs or assigns.

12. The failure of Buyer to comply with the terms of this contract, or with any of the provisions of the Act above referred to, or the regulations of the Seller, or any resolutions, all hereinabove referred to, shall subject this contract to forfeiture.
