Local Border Security Partner,

At this time we would like to make you aware that the Governor's Office Homeland Security Grants Division (HSGD) is now accepting applications for the FY 2016 Local Border Security Program funding cycle. Applicants must access HSGD's grant management website at <https://eGrants.gov.texas.gov> to register and apply for funding. Attached for your reference is the Request for Applications which can also be found on the eGrants Calendar page.

All applications must be certified via HSGD's grant management website on or before September 25, 2015.

We look forward to working with you!
