ETT is an electric utility joint venture between subsidiaries of American Electric Power (NYSE: AEP) and Berkshire Hathaway Energy, whose purpose is to build, own and operate electric transmission projects within the Electric Reliability Council of Texas (ERCOT). We own transmission facilities throughout the state and have several construction projects underway.

ETT seeks opportunities to contribute to local community organizations in the areas we serve. ETT is proud to contribute to worthy charitable organizations such as yours, and I personally appreciate your commitment to improving the quality of life in our community.

Sincerely,
