

Date_____

American Electric Power (AEP)
Attn: Paulino Lucio III
1313 W. Calton Road
Laredo, Texas 78041
fax 1-956-721-3104

Dear Mr. Lucio:

Webb County is requesting a proposal to connect 16 existing AEP flood lights at the Casa Blanca Golf Course. These 16 existing AEP flood lights are located at two different locations at the Casa Blanca Golf Course as indicated below and on the attached sketches.

Driving Range

- 3-250 watt Metal Halide Floodlights
- 1-400 watt Metal Halide Floodlight
- 9-1000 watt Metal Halide Floodlights

Barn

- 3-400 watt High Pressure Sodium Floodlights

If further information is needed, please call _____ (Webb County _____) at (956) _____ or Marco A. Arredondo, P.E. (Webb County’s Energy Consultant) at (361) 777-1335.

Thank you.

Sincerely,

Webb County _____
