Dear Mr. Perez-Garcia:

A request for funds to start the preliminary engineering phase was made as per letter dated October 19, 2015 to Webb County in accordance with the terms of the advance funding agreement negotiated with the State. The State is hereby requesting additional funding for construction related costs. The current estimate for the up-front local match County responsibility construction costs on this project is approximately \$19,599.00.

We are requesting a check be issued to the Texas Department of Transportation in the amount of \$19,599.00 and forwarded to our office within thirty days from receipt of this letter. Please note that the project will not be awarded until the funds have been received.

Your immediate attention will be appreciated. Should you have any questions, please contact Gustavo Elizondo at (956) 712-7462.

Sincerely,
