Legends

¹Charge adjustments related to inventory and Service changes will be accumulated and invoiced with your next standard invoicing cycle (may be sooner for annual or semiannual payment plans).

²Charges shown are for the Charge Period

An (E) indicates Withdrawn from Maintenance.

An (F) indicates an assumptive Product included in the total Charge Period Price that has a manually inserted serial number and configuration provided by the customer.

A (G) indicates an additional machine or configuration that was purchased and auto inserted on the Schedule of Services per contract terms.

An (H) identifies a machine on an existing contract with duplicate services.

A (K) indicates assumptive Products included in the total Charge Period Price that are based on the customer provided configuration.

An (M) indicates an upgrade is on order, but is not installed and applicable pricing not included.

An (N) indicates that the Product is a non-GSA Schedule item.

An (O) indicates a one time charge.

A (P) indicates a Machine or Service with coverage on a part-number based contract.

An (S) indicates a manual order installation date change.

A (W) indicates a Machine under warranty.

An (X) indicates On-order Products which are shown for planning purposes only.

A (Y) indicates On-Order Upgrade Products which are shown for planning purposes only. These charges are included in the related Machine

³Charges Start/Stop dates shown are those that differ from the Contract Period Start/End Dates

⁴Type of Service

Repair services may have a response objective which is not a guarantee.
