

Your Touchstone Energy® Cooperative 

December 28, 2016

Enclosed: Donation

To Whom It May Concern,

As you may know, Medina Electric Cooperative serves all or parts of 17 South Texas counties with electricity. As a not-for-profit electric distribution cooperative, our main business is delivering reliable electricity to our members. A close second is supporting the communities our members are part of and the organizations that benefit them.

We know that as a fire department for a rural area, funding is always an issue. In fact, within the 17 counties we serve there are more than 75 fire departments that depend on donations and community funding to operate. Attached is a check with a donation for your department. We know that this donation is small compared to all you do for the area you serve, but we hope that it will help.

Please send us information on any specific donation requests or equipment needs you have in the coming years so we can consider those. You can also connect with us on our Facebook page ([Facebook.com/MedinaEC](https://www.facebook.com/MedinaEC)).

We look forward to the possibility of working with your organization in the future and offer our deepest appreciation for all that your department does for the rural communities you serve.

Sincerely,

Katie Kothmann Haby
