**South Texas Behavioral Health Center to issue plaque and certificates to Webb County Sheriff Martin Cuellar and the Webb County Sheriff's Office Mental Health Unit for Mental Health Awareness Month**

May is Mental Health Awareness Month, and to raise awareness in the community about mental illnesses that often go untreated because of the negative stigma associated with them, South Texas Behavioral Health Center will issue a plaque to Webb County Sheriff Martin Cuellar and certificates of appreciation to the mental health unit at Webb County Commissioners Court on May 8, 2017.

South Texas Behavioral Health Center is recognizing Webb County Sheriff Martin Cuellar and the mental health unit for their role in assisting patients in need of mental health care and who are in a mental health crisis. Executive Representative Sonia Lara, Business Development Director Michael Karam, and CEO Joe Rodriguez will represent South Texas Behavioral Health Center, say a few words and would like to present plaque and certificates.
