Each public member, individually or in a group, will be allowed a total of Three (3) minutes within which to make any/all public comments.

COURT TO DISCUSS AND ACT ON THE FOLLOWING:

CONSENT AGENDA: At most meetings, the Commissioners Court establishes a Consent Agenda. It consists of those Agenda Items which are routine or non-controversial, and which neither a member of the Commissioners court has asked to be pulled for discussion. Once the Commissioners Court has established the Consent Agenda, Agenda Items included on it will be voted upon in one vote, and will not be discussed separately unless requested by the County Judge or Commissioners.

The consent agenda has been created in order to give constituents the opportunity to view any and all pertinent backup information with reference to any item in the agenda. The objective of the consent agenda is for all Webb County constituents to be familiar with everyday county business and to demonstrate the transparency and fairness of this Commissioners Court.

The following Agenda Items are of a routine nature, and the Commissioners Court has received supporting materials for consideration. All of these Agenda Items will be passed with one vote without being discussed separately, unless a member of the Commissioners Court or the public requests that a particular Agenda Item be discussed. If so, that Agenda Item will be pulled from the Consent Agenda and discussed as part of the regular Agenda at the appropriate time. One vote will approve the remaining items on the Consent Agenda.

This grant does not require any type of match; and, thus will have no impact to the general fund.

Issue: The rights of crime victims are enshrined in the federal code (Section 3771 of Title 18 of the U.S. Code, Crimes and Criminal Procedure), the Texas Constitution (Article I Section 30), and the Texas Code of Criminal Procedure (Chapter 56). However, many victims of crime are unaware of their mandated rights as well as the services that are specifically available to them to facilitate needed restitution, recovery, privacy, dignity, and justice.

Solution: Grant application to highlight the rights of and services for crime victims in the Laredo/Webb County area during the 2018 National Crime Victims' Right Week.

This grant does not require any type of match and, thus, will have no impact on the general fund.

Issue: Violence against women is among the most intractable and deadliest criminal justice problems in the United States, especially domestic violence and in the South Texas area. According to published statistics, the number of American women between 2001-2012 who were murdered by current or ex male partners in the United States was 11,766. That's almost double the amount of casualties lost during wars in Afghanistan and Iraq. Women who will be victims of severe violence by an intimate partner in their lifetimes are 1 in 4. ("30 Shocking Domestic Violence Statistics That Remind Us It's An Epidemic" Vagianos 10/23/2014)

Solution: Casa Misericordia Domestic Violence Shelter and the Webb County Sheriff's Office seek to continue their coordinated, collaborative efforts to assist victims of domestic violence in the local Laredo/Webb County Community.

The canine (K9) was donated to the Webb County Sheriff's Office, and related canine costs for veterinary care, food, and other needed materials/supplies are to be paid utilizing forfeiture funds.

Issue: The Laredo/Webb County area is designated as part of the South Texas High Intensity Drug Trafficking Area (HIDTA), which is considered, "one of the most strategically significant cross-border drug smuggling corridors" (U.S. Department of Justice National Drug Intelligence Center South Texas High Intensity Drug Trafficking Area Drug Market Analysis 2011).
