

Memorandum of Understanding

OAG Contract No. 1882851

This Memorandum of Understanding ("MOU") is executed between the Parties identified below, for certain Internet Crimes Against Children ("ICAC") Task Force activities. The Parties may be referred to in this contract individually as "Party" or collectively as "Parties."

Section 1 Parties

webb county Sheriff's Office ("Department")

The Office of the Attorney General of Texas ("OAG")

Section 2 Mission of the OAG

The ICAC Task Force Program, created by the United States Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention, ("OJJDP"), is a national network of state and local law enforcement cybercrime units tasked with combating technology-facilitated child exploitation. These task forces work collaboratively as a national network of law enforcement and prosecutorial agencies that prevent, interdict, investigate and prosecute ICAC activities. The ICAC program requires existing task forces to develop multi-jurisdictional, multi-agency responses to such offenses by providing funding and other support to state and local law enforcement agencies as a means to help them acquire the necessary knowledge, personnel, and equipment. This help encompasses investigative and forensic components, training and technical assistance, victim services, and community education.

The OAG is designated by the OJJDP as the Regional Contact for the "Texas, Southern ICAC Task Force." The OAG is a recipient of an OJJDP ICAC grant. The OAG utilizes the ICAC grant funds to administer and operate an ICAC Task Force. The mission of the OAG's ICAC Task Force is to: (1) properly investigate and prosecute those who sexually exploit children through the use of the Internet and/or computers; (2) provide training and equipment to those involved in investigating and prosecuting Internet crimes against children, and (3) provide community education regarding the prevention of Internet crimes against children.

Section 3 Term of MOU

This MOU shall be effective on 9/1/17 and will continue in effect until 8/31/18.

Section 4 Purpose of the MOU

The purpose of this MOU is to formalize the working relationship between the OAG and the Department. This MOU delineates the responsibilities and expectations of the Parties. By signing this MOU, the Department agrees to join the OAG ICAC Task Force for the primary

purpose of vigorously and properly performing ICAC investigations. By joining the OAG ICAC Task Force, the Department will benefit from joint operations and extensive training opportunities.

By entering into this MOU, the OAG will benefit from the investigative support by the Department.

This MOU cancels and replaces any prior existing ICAC Task Force MOU between the Parties.

Section 5 Investigations

All ICAC investigations will be conducted only by sworn law enforcement investigators and in a spirit of cooperation with other OAG ICAC Task Force members. Investigations will follow guidelines established by each Party's respective policy manual or guidelines. However, ICAC investigations shall also be governed by the national ICAC program's Operational and Investigative Standards. Violation of the ICAC operational standards is cause for termination of this MOU. This MOU is not intended to infringe on the ongoing investigations of any other agency. It is agreed that unilateral acts on the part of employees involved in ICAC Task Force investigations are not in the best interest of the Task Force.

Section 6 Department's Duties and Responsibilities

The Department will ensure the following activities:

- A. Only sworn Department law enforcement personnel will conduct undercover ICAC investigations. Each investigator involved with undercover operations **must** receive ICAC training prior to initiating proactive investigations and shall submit reports of all undercover activity to the OAG.
- B. Conduct reactive investigations where subjects are associated with the Department's jurisdiction, including investigations of child pornography, CYBERTIP referrals from the National Center for Missing and Exploited Children, Internet Service Provider and law enforcement referrals, and other ICAC-related investigations. Additional case initiations may develop from subject interviews, documented public sources, direct observations of suspicious behavior, public complaints, or other appropriate sources.
- C. Record and document all undercover online activity. Any deviations from this policy due to unusual circumstances shall be documented in the relevant case file and reviewed by the ICAC Task Force Program Manager.
- D. Provide agents assigned to the ICAC Task Force access to all ICAC investigative files including, without limitation, computer records, in order to ensure compliance with all national ICAC standards.
- E. Locate its ICAC investigators in secured space provided by the Department with controlled access to all equipment, software, and investigative files. At a minimum,

information should be maintained in locked cabinets and under control of the Department ICAC Task Force personnel, with restricted access to authorized personnel only.

- F. Conduct education and prevention programs to foster awareness and provide practical, relevant guidance to children, parents, educators, librarians, the business and law enforcement communities, and other individuals concerned about Internet child safety issues. Presenters shall not discuss ongoing investigative techniques and undercover operations utilized by the ICAC Task Force.

Section 7 Supervision; Compliance with Regulatory and Licensing Bodies

The Department will be responsible for the day-to-day operational supervision, administrative control, and personal and professional conduct of its officers and agents assigned to the Task Force. ICAC investigations are a cooperative effort and investigative decisions will be a joint process guided by ICAC standards.

The Department agrees that it has obtained all licenses, certifications, permits and authorizations necessary to perform the responsibilities of this MOU. The Department agrees to comply with all applicable licenses, legal certifications, inspections, and any other applicable local ordinance, state, or federal laws.

Section 8 No Employment Relationship with the OAG; Liability

The Department expressly agrees that there is no employment relationship between the Department and the OAG. Under no circumstances shall any owners, incorporators, officers, directors, employees, or volunteers of the Department be considered an employee, agent, servant, or partner of, or part of any joint venture or joint enterprise with, the OAG.

To the extent allowed by law, the Department is responsible for all types of claims whatsoever due to their own actions or performance under this MOU, including, but not limited to, the use of automobiles (or other transportation), taken by its owners, incorporators, officers, directors, employees, volunteers or any third parties.

Section 9 Reporting Statistics

Using the reporting form provided by the OAG, the Department shall submit monthly statistics to the OAG on all ICAC investigations or other investigative work pertaining to the sexual exploitation of children via the Internet. These statistics shall be submitted in the appropriate format by the tenth (10th) calendar day of each month, and shall include data on all related investigations opened or closed during the month, as well as forensic examinations, technical/investigative assistance provided to other agencies, subpoenas and court orders issued, training hours attended and taught, and community outreach provided.

In addition, the Department shall provide detail reporting on the basic case data for each sexual exploitation of a minor (child pornography) case, and/or criminal solicitation of a minor (enticement/traveler) case investigated by the Department. The OAG will then be responsible for all required reporting to OJJDP.

Section 10 Training

The Department shall make investigators designated as ICAC Task Force members available for applicable specialized training provided through the national ICAC program and other appropriate training programs. The Department will support the on-going training needs of its investigators to maintain their competency and currency.

Section 11 Confidentiality

It is understood that any confidential information pertaining to ICAC investigations will be held in the strictest confidence, and will only be shared with participating OAG ICAC Task Force members or other law enforcement agencies where necessary or as otherwise permitted by federal and/or state law.

Section 12 Termination of MOU

Either Party, at its sole discretion, may terminate this MOU for convenience upon written notice to the other Party at least thirty (30) calendar days in advance of the effective date of such termination. The OAG may terminate this MOU for cause for the following reasons that include, but are not limited to, failure of Department to accept and/or investigate cyber tips, failure of Department to report statistics to the OAG, failure of Department to adhere to national ICAC program's Operational and Investigative Standards, or failure of Department to exercise reasonable efforts to support the on-going training needs of its investigators to maintain their competency and currency.

Section 13 Signatures

The Parties stipulate and agree that the signatories hereto are signing, executing and performing this MOU only in their official capacity.
