18. Discussion and possible action to approve and execute Advance Funding Agreement (AFA) Amendment No. 3 for Loop 20 (0.5 miles West of Milo Interchange to 3000 ft., East of Havana) (CSJ 0086-14-051). Attachment C-2 Project Budget of Advance Funding Agreement No. 2 is deleted in its entirety and replaced with Attachment C-3 Project Budget of Advance Funding Agreement No. 3 which will increase from \$4,007,214.00 by \$8,500.00 to \$4,015,715.00 to cover the necessary completed work invoices in order to reimburse Webb County and complete this project; and authorize the County Judge to sign all relevant documents as per final approval from the Texas Department of Transportation (TxDOT). **[Account #3563-7230-001-432001 (Professional Services)]**

Issue: It has become necessary to amend contract due to a final revision of account CSJ: 0086-14-051 in order to cover final invoices to reimburse Webb County.

Solution: Amend Account CSJ: 0086-14-051 (Loop 20 Stimulus) with the final amount needed from CSJ: 0086-14-058 (Loop 20 Extension).

Result: Funds are available in the appropriate Advance Funding Agreement.

19. Discussion and possible action to direct the Engineering department and staff to prepare a cost analysis regarding the use of the county property located on 1200 Washington St. (site of former Tex-Mex building, Prop. ID: 292400) as a fenced in parking lot complex, in compliance with all City ordinances; and any other matters incident thereto. **[Requested by Commissioner John Galo, Pct. 3]**

Information Technology

20. Discussion and possible action to amend the Tyler Technologies New World ERP Annual Software Maintenance Agreement in order to remove the following modules that will not be used by county departments: Business Licensing, Municipal Inspections, Parcel Management, Permits, Project Planning, ePermits, eLicense, CD Analytics, Bid and Quote Management, eBid; and to add the Service Order Processing module for Utilities, and authorize the County Judge to sign all relevant documents; and any other matters incident thereto.

Issue: During project implementation, it was determined that several modules were not going to be utilized and that an additional one was required for the Water Utilities Department.

Solution: To amend the contract as proposed.

Result: As a result of this amendment, the maintenance schedule will be saving the County approximately \$16,000 on a yearly basis.

Planning

21. Discussion and possible action to approve a budget amendment to create a Special Revenue Fund and associated liability accounts under the Road and Bridge Fund as needed to provide for secure accounting procedures in the New World's System for both revenue and procurement of subdivision/plat fees reserved for subdivision enforcement activities and related expenditures and those funds collected by the County on behalf of the Texas Commission on Environmental Quality (TCEQ) for the registration of licensed on-site sewage facilities (OSSF) comprised of the following existing accounts:

G/L Acct 2007-207690-010 – TCEQ Permit Fees (current balance \$140.00);
G/L Acct 2007-209260 – Planning Dept Clearing (current balance \$9,841.80);
and
G/L Acct 2007-209330 – Subdivision Dev Deposit (current balance \$20,499.70).

Approval to include merging the existing G/L accounts 2007-209260 and 2007-209330 into one account to reflect prior Court action where the subdivision plat review fee schedule was amended to combine all review activities into one fee; and authorization to re-establish the department's procurement abilities through the New World's System under the policies set-forth by the Commissioners Court and Budget Officer.

Issue: Through the migration into the New World's System and the establishment of the new chart of accounts, the Planning Department's clearing accounts were set-out in such a manner that eliminated department's accessibility to these accounts. Without the proper accounting protocols in place, the department is unable to perform monitoring or financial transactions through the New World's System.

Solution: Establish a separate fund and resulting adjustments to the chart of accounts to allow for the creation of liability accounts that enable the department to appropriately manage financial accounts through the New World's System.

Result: The Planning Department will be able to process financial transactions in compliance with established county policies as well as monitor revenue streams to ensure accountability of revenues collected by the department.

22. Discussion with possible action to authorize the Purchasing Agent to solicit Request for Proposals (RFP's) for the lease or purchase of a commercial building approximately 35,000 – 50,000 square feet to be used for county offices, departments and staff in accordance with the Texas Local Government Code, Sub-Chapter C. (Competitive Bidding in General).

23. Discussion and possible action to approve the following budget amendment (line item transfer) for the Employee Retiree Fund #6300:

From:	6300-1090-001-452010	Claims Paid- Medical	\$10,500	\$971,900	\$961,400
To:	6300-1090-001-452008	Claims Paid- Dental	\$10,500	\$8,000	\$18,500

Issue: Since actuarial reports are not provided until the end of each calendar year (December), well after the budget is filed, the current budgeted amount is insufficient.

Solution: This transfer will prevent any shortfalls.

Result: This fund will not have any deficits.

Commissioners Court Administrator

24. Discussion and possible action to accept the appointment and bond of Mr. Jose Salvador Tellez, Jr., newly appointed Webb County Elections Administrator; and any other matters incident thereto.

Issue: On January 24, 2018, Mr. Oscar Villarreal, Webb County Elections Administrator, contacted members of the Webb County Elections and advised of his intention to resign from his position. Thereafter on Monday, January 29, 2018, the Elections Commission voted to accept Mr. Villarreal's resignation and appointed Mr. Jose Salvador Tellez in compliance with §31.032 of the Texas Election Code.

Solution: Accept the appointed replacement to fill the vacancy of Elections Administrator and authorize a bond to issue in the appointee's name.
