Revised March 2015 - TDHCA Vendor Agreement

The Agency name above represents and warrants to Vendor that it is sub recipient of the Texas Department of Housing and Community Affairs ("TDHCA") and as such is authorized and has received funding from the TDHCA to provide bill payment assistance service for eligible low income households.

The Vendor name above represents and warrants that it will apply any payments received from Agency to the account of the customer that the Agency has determined to be eligible under the CEAP guideline and such is a "Certified Customer".

Vendor will, with reference to a Certified Customer:

- Extend the CEAP applicant's energy service for up to five business day while the Agency determines whether the CEAP applicant is eligible pursuant to the CEAP guidelines.
- Upon accepting pledges from Agency for Certified Customer, continue or restore energy service to Certified Customer with no increases in charges, service charges or other charges affecting the total cost of the bill, except as allowed by the state tariff cost registered with the Public Utility Commission "PUC" and/or Texas Railroad Commission.
- In the event the full past due balance is not paid by the Agency, the Certified Customer must pay the remaining balance on or before the disconnect date stated in the customer's Disconnect Notice required by PUC regulations in order to avoid disconnection or be eligible for reconnection. Nothing in this agreement requires the Vendor to reconnect the customer upon receipt of a pledge that does not cover the full past due balance or if the customer has already been disconnected by the time the pledge is received by the vendor.
- Invoice the Certified Customer in accordance with Vendor's normal billing practices.
- Upon verbal or written request from Agency, provide at no cost to the Agency the Certified
 customer's billing and usage history for previous twelve month, or available history plus
 monthly estimates if less than twelve months of billing history and usage is available.
 Vendor will transmit such billing history via electronic mail of facsimile as soon as
 possible, but no later than forty-eight hours following the request.
- Work with Agency and Certified Customer to explore the feasibility of offering flexible payment arrangements that may include, without limitation waiving security deposits, reconnect fees, application fees, and all other fees whenever possible;
- Not discriminate against Certified Customer in price or services, including the availability
 of deferred payment plan, level or average payment plans, discount, budget, advance
 payment or other credit plans.
