The Webb County Court at Law II DWI Court Program has proposed to assist Clients arrested with and substance use disorders and breaking the cycle of addiction through court intervention, education, and treatment. The program is also engaged in reducing the recidivism rate, substance abuse and improving the mental health of participants through their court treatment services. The Webb County DWI Court Program provided strong follow-up rates to court participants. Follow-up rates are at 93.7. Intake rates were also acceptable at 80.0%. Webb County Court at Law II DWI Court Program is committed to improving intake results by:

- Triaging Clients as they enter the criminal justice system
- Increase referrals from probation, pre-trial services and from the Webb County Court.

Program strengths are:

- Program adheres to best practices of the NADCP standards
- Program has leadership team in place
- Court is operational and serving clients
- Treatment is provided by program and staff are actively engaged
- Program uses evidence-based interventions in treatment
- Webb County Court DWI Court Program has the support within the community

Challenges for Webb County Court at Law II DWI Court Program are:

- Intake of clients for treatment court participation should continue to improve. (Goal to achieve is 100%)

The Webb County Court at Law II DWI Court Program offers a positive program, and great potential for the treatment of substance use disorders. The Webb County Court at Law II DWI Court Program is a positive alternative for providing treatment services to clients in Webb County.
