## **Attachment 1**

**Award Number: 06HP0006/04**

**Recipient Organization: WEBB, COUNTY OF**

This grant is subject to Section 640(b) of the Head Start Act and 45 C.F.R. § 1303.4 requiring a non-federal match of 20 percent of the total cost of the program. This grant is also subject to the requirements in Section 644(b) of the Head Start Act and 45 C.F.R. § 1303.5 limiting development and administrative costs to a maximum of 15 percent of the total costs of the program, including the non-federal match contribution of such costs. The requirements for a non-federal match of 20 percent and the limitation of 15 percent for development and administrative costs apply to the 09/01/2018-08/31/2019 budget period unless a waiver is approved. Any request for a waiver of the non-federal match, or a portion thereof, that meets the conditions under Section 640(b)(1)-(5) of the Head Start Act and 45 C.F.R. § 1303.4 or a waiver of the limitation on development and administrative costs that meets the conditions under 45 C.F.R. § 1303.5 must be submitted in advance of the end of the budget period. Any waiver request submitted after the expiration of the project period will not be considered.

The HHS Uniform Administrative Requirements (see 45 C.F.R. § 75.308(c)(1)(ii)) provide the authority to ACF to approve key staff of Head Start grantees. For the purposes of this grant, key staff is defined as the Head Start Director or person carrying out the duties of the Head Start Director if not under that title and the Chief Fiscal Officer if any of those positions is funded, either directly or through indirect cost recovery, more than 50 percent with Head Start funds.

Section 653 of the Head Start Act prohibits the use of any federal funds, including Head Start grant funds, to pay any portion of the compensation of an individual employed by a Head Start agency if that individual's compensation exceeds the rate payable for Level II of the Executive Schedule.

Prior written approval must be obtained for the purchase of equipment and other capital expenditures as described in 45 C.F.R. § 75.439(a). Prior written approval must also be obtained under 45 C.F.R. § 75.439(b)(3) and 45 C.F.R. Part 1303 Subpart E – Facilities to use Head Start grant funds for the initial or ongoing purchase, construction and major renovation of facilities. No Head Start grant funds may be used toward the payment of one-time expenses, principal and interest for the acquisition, construction or major renovation of a facility without prior written approval of the Administration for Children and Families.

## Terms and Conditions for Awards Involving Property

1. Under grant program regulations at 45 C.F.R. § 75.323, a property trust relationship exists for the benefit of the awarding program in all property the non-Federal entity acquires or improves with ACF funds, including real property, equipment and supplies. The non-Federal entity holds the property in trust for the beneficiaries of the project or program under which the property was acquired or improved. ACF may require the non-Federal entity to record liens or other appropriate notices such as Notices of Federal Interest to indicate that real property has been acquired or improved with Federal award funds and that use and disposition conditions apply to the property. The Federal interest in the property cannot be defeated by a grantee's failure to file an appropriate notice. A grantee may not encumber or permit a third party to encumber any property where federal funds were used for purchase, construction or renovation without ACF's written consent. Financing and refinancing a property with or without subordination of the Federal interest are encumbrance actions and subject to formal ACF approval.
2. The Federal interest in real property purchased, constructed or renovated with Federal funds does not expire but remains in place until formal disposition. When real property is no longer needed either because the non-Federal entity is leaving the program or for another reason, the non-Federal entity must obtain disposition instructions from the HHS awarding agency in accordance with 45 C.F.R. §75.318 (c) (1)-(3). While the awardee may indicate a disposition preference in the request for disposition instructions, ACF has the discretion to direct a different disposition option. The non-Federal entity must request disposition instructions within 60 days of project expiration or notice of termination. If the non-Federal entity fails to request disposition instructions, ACF will direct disposition. A grantee's failure to comply with ACF's disposition instructions will constitute a material violation of the terms and conditions of this grant award. Grantees are responsible for maintaining accurate and up-to-date records of any non-Federal contributions, including payments of principal and interest on loans, made towards the purchase, construction, or renovation of real property, and itemized records of the funding source of such contributions. Grantees must produce those records when requesting disposition. In accordance with 45 C.F.R. §75.320 (e), the grantee must request disposition instructions from ACF for equipment purchased with Federal funds and which is no longer needed either because the grantee is leaving the program or for another reason.
3. If there is a residual inventory of unused supplies exceeding \$5,000 in total aggregate value upon termination of support or completion of the project or program, at ACF's direction, the supplies must be transferred for use by another non-Federal entity.
