

ENGINEERING COMPLETION REPORT

September 13, 2018

Luis Perez Garcia, PE, CFM, County Engineer
1620 Santa Ursula, 2nd Floor
Laredo, Texas 78040

Ref: **Mirando City Elevated Water Storage Tank**

In accordance with the contract between the Caldwell Tanks, Inc., and Webb County, Texas, entered into on October 23, 2017 and pursuant to the specifications in the contract documents, we hereby submit the Engineer's Completion Report for the Mirando City Elevated Water Storage Tank.

STATE OF TEXAS

COUNTY OF WEBB

This is to certify that I, Wayne Nance, the project Engineer have reviewed the work completed by Caldwell Tanks, Inc., under construction with Webb County, Texas, and found the work to be in general compliance and in general accordance with the plans and specifications for the Mirando City Elevated Water Storage Tank.

SIGNED THIS THE 13th DAY OF September, 2018.

Wayne Nance, P.E.

Final Inspection Punchlist**

A prefinal inspection of the above referenced project was held at the tank site today at 10:00 a.m. In attendance were Guillermo Cuellar, Mario Santos, Webb County Engineering Department; James Flores, Selina Lopez, Webb County Economic Development Department; Abigail Gonzalez, MCWSC; Maria Bowman, Contractor; Wayne Nance, Engineer. The following is a list of items that must be addressed and/or corrected by September 27, 2018:

1. Submit three (3) hardcopies of the Operation and Maintenance Manual to the Engineer for all equipment installed with the project. A digital (Adobe) version may be sent via email or disk.

After the inspection Webb County delivered to Abigail two (2) sets of climbing safety harnesses that were previously mailed by Caldwell Tanks per specification.

Call me if you have any questions.

Sincerely,

Wayne Nance, PE
