**Senior Detention Officer Conformance Methodology**

The method for determining the wage rate for the proposed classification employed at the Laredo Processing Center is based on the process described in the U.S. Department of Labor Prevailing Wage Resource Book and the SCA Conformance Guide.

The work performed as described in our job description (attached) is not covered by the classifications listed in the wage determination or as described in the SCA Directory of Occupations 5<sup>th</sup> Edition. Pursuant to the guidance of the *Resource Book*, and considering the skills required and duties of the proposed classification, we have determined that this position is one grade higher than the entry level Detention Officer position, a GS-6, in the Protective Service Occupations category that has a required rate of \$14.94 per hour, in the applicable wage determination. We propose the wage rate of \$15.69 per hour, which is approximately 5% higher than the Detention Officer rate.

This methodology is consistent with conformance approvals for the Senior Detention Officer position at Webb County Detention Center under the previous contract (ODT-8-C-0002), Houston Processing Center (HSCEDM-09-D00007), Nevada Southern Detention Center (ODT-8-C-0001), and Otay Mesa Detention Center (ODT-5-C-0003), which were based on the same criteria.

CoreCivic appreciates your consideration of this information and approval of the conformance request for the Senior Detention Officer position at the Laredo Processing Center.
