Laredo Processing Center – 70CDJR18DIG000010
Assistant Shift Supervisor Conformance Methodology

The method for determining the wage rate for the proposed classification employed at the Laredo Processing Center is based on the process described in the U.S. Department of Labor Prevailing Wage Resource Book and SCA Conformance Guide.

The work performed as described in our job description (attached) is not covered by the classifications listed in the wage determination or as described in the SCA Directory of Occupations 5th Edition. Pursuant to the guidance of the *Resource Book*, and considering the skills required and duties of the proposed classification, we determined that this position is two grades higher than the entry level Detention Officer position, a GS-6, in the Protective Service Occupations category that has a required rate of \$14.94 per hour, in the applicable wage determination.

The Assistant Shift Supervisor assists in the supervision of the security activities in a correctional/detention facility. The position provides direction and oversight to Detention Officers and Senior Detention Officers on a shift in the performance of their duties, evaluates the performance of subordinate staff, provides training and takes corrective action. The Senior Detention Officer position, which manages more complex posts than the Detention Officer position, is considered at an FGE GS-7 level. Based on the skill level, responsibility and scope of work, this position is considered one FGE level higher than the Senior Detention Officer position, and is more appropriately classified as an Assistant Shift Supervisor. Accordingly, we propose a wage rate of \$18.41 per hour, which was calculated by multiplying the Detention Officer rate by 1.11 to the higher grade, one step at a time, in accordance with the SCA Conformance Guide, Appendix C.

This methodology is consistent with conformance approval for the Assistant Shift Supervisor position at the Nevada Southern Detention Center (ODT-8-C-0001), which was based on the same criteria.

CoreCivic appreciates your consideration of this information and approval of the conformance request for the Assistant Shift Supervisor position at the Laredo Processing Center.
