Hello Mr. Alva,

The performance for the current grant FY18 does not effect the initiation of the FY19 grant. The grants are independent grants with no carry over.

Good afternoon Erv,

I wanted to advise you that I have placed an agenda item for approval by our commissioners court to ensure staff may continue to be paid effective July 1,

2019. Our court only meets twice a month and items are due a week before their meeting. The next meeting is scheduled for June 24, 2019 and the deadline to submit has expired but I was able to place the above mentioned item on the agenda. In order for our item to proceed, our director of economic development is requesting confirmation from TVC that our FY18 grants performance will not impact our FY19 grant initiation. If I could request a confirmation from you so that I may submit it to supplement the request.

I hope to have the negotiation process completed by July 1, 2019 in order to have the NOGA approved for signature at the July 8, 2019 meeting. Thank you for your continued support.
