Foreign Trade Zone No. 94; Site 11

TKR would like to request for change of name on Foreign Trade Zone Site No. 11. On April 1, 2019, TKR USA Inc. purchased from Sony Electronics Inc. the operations located at 11302 East Point Drive in Laredo, Texas. For this reason we would like to keep the FTZ Designation and current activated areas that are currently approved for Sony Electronics Inc. in Laredo (FTZ 94 – Site 11). Request for your support and letter of concurrence of Foreign Trade Zone Designation Site 11 located at 11302 East Point Drive, Laredo, TX 78045.

Sincerely,
