Re: Upgrade to Existing Access Driveway
Webb County School Land Survey 1383, A-503 Webb Co, TX

Dear Sirs:

Pursuit Oil & Gas, LLC (Pursuit) is applying for a Permit to upgrade the entrance to the Webb County School Land referenced above as required by the Texas Department of Transportation (TXDOT) for Oil Field traffic. This entrance was created in an easement granted by Webb County to Mary H. Quick, et al in a Document dated December 9, 1963 recorded in Volume 343, Page 61 of the Deed Records of Webb County, Texas. Pursuit is the operator under an Oil & Gas lease granted by the heirs and assigns to Mary H. Quick, et al.

Pursuit will be paving the existing entrance with flexible based asphalt from the TXDOT Right of Way to the gate that is currently set back approximately 80 feet as per the specs shown in the Commercial and Industrial Driveway Access Request Form.

TXDOT requires that the Property Owner sign off on the Form 1058 Permit to Construct Access Driveway Facilities on Highway Right of Way, however, Pursuit will be responsible for all costs and maintenance associated with this construction and will hold Webb County harmless from any responsibilities associated with the project.

Please acknowledge your agreement by signing and returning one copy of this letter along with a signed copy of the Form 1058 attached.

Respectfully,

Ryan Fitzpatrick
Vice-President Land Pursuit Oil & Gas, LLC

Accepted and agreed this _____ day of July 2019.

Webb County School
