Laredo, TX 78040

Re: PC15P0049 Webb County - **Final Acceptance Letter**

Mr. Garcia,

Schneider Electric Energy and Sustainability Services certifies on this date that the energy retrofit project at the above location is complete. Warranty dates for completed portions of the work are summarized in the table below:

Description	Warranty Start Date	Labor Warranty Expiration Date	Parts Warranty Expiration Date
Building Automation System	2/22/19	3/22/19	See O&M
Mechanical System Improvements/Modifications	2/22/19	2/22/19	See O&M
Mechanical – Justice Center Trane Chillers	7/16/18	7/16/28	See O&M

Repair or Replacement

If any Schneider Electric manufactured equipment fails to operate due to a defect in materials or workmanship within one year of the above date, it will either be repaired or replaced by Schneider Electric at no charge. Schneider Electric reserves the right to repair or replace that equipment with new or refurbished parts of like model numbers.

Exclusions or Limitations

The limited warranty does not cover damage by negligence, misuse, accident or computer viruses.

For warranty service, please contact the Schneider Electric Energy and Sustainability Services Performance Assurance Support Services department at phone number: (800) 274-5551.

When calling, reference this letter with Schneider Electric project PC15P0049.

Equipment furnished but not manufactured by Schneider Electric will carry the manufacturers' expressed limited warranty terms. See the O&M manuals for these specific terms and conditions.

March 15, 2019

Performance Assurance Period

The Webb County Project on the above date is entering into the second phase of the project, referred to as the Performance Assurance Period. At this time Schneider Electric will commence in the utilities monitoring and furnish to Webb County periodic reports documenting actual energy savings. The Performance Assurance Period will commence 3/1/2019.

Sincerely,

 Recoverable Signature
