By checking this box, you are indicating that the service profile for this organization is accurate. *	<input checked="" type="checkbox"/>
Project Service Area *	Urban <input checked="" type="checkbox"/> Rural
If "Urban" is selected, please select the urbanized area.	

General Information

- Describe the proposed project(s) for which the funds will be used. \*
 

Funding will be used to promote and provide general public transportation, fixed route and demand response services to the non-urbanized population in the areas of Highway 359 to Bruni, Texas making stops in Pueblo Nuevo, Mirando, Oilton and the towns of Rio Bravo and El Cenizo, Texas on South Highway 83. Also, to help service the needs of the public in rural areas by and through new buses, preventative maintenance and/or technical support to help accommodate the general public in the rural areas of Webb County which encompasses persons with no automobile, no driver's license (due to age or driving infractions), infirmity due to age and the physically and mentally disabled. These services are provided seven days a week starting at 5:30am thru 8:30pm- nineteen one way trips daily at low cost effective rates . Webb County is the sixth largest county in the State of Texas.

Budget line item names including dollar amount are as follows:  
Drivers- \$103,672.91; Overtime- \$20,000.00; Lead Driver II- \$29,868.80; Fringe Benefits- \$64,636.23; Fuel/Oil- \$24,320.000; Repairs and Maint. Buildings- \$2,500.00; Repairs and Maint. Equipment - \$3,000.00; Repairs and Maint. Vehicles- \$ 40,324.06; Insurance- \$3,100.00; Telephone-\$ 5,600.00.
- Provide a description of how the need/demand for the proposed project(s) was determined. \*
 

The need/demand was determined with the purpose to provide access to the unrestricted overall public in non-urbanized areas of Highway 359 to Bruni, Texas, making stops in Pueblo Nuevo, Mirando, Oilton and towns of Rio Bravo and El Cenizo, Texas on South Highway 83; particularly those whose trips are not subsidized by another funding source. Being the sixth largest county in the state, our services extend through the county on a daily basis which transportation services are provided to all areas of Webb County where local support and the demand for those services do not exist.
- Describe the anticipated benefits of the project. \*
 

The anticipated benefits of providing transportation to the rural areas of Highway 359 to Bruni, Texas, Pueblo Nuevo, Mirando, Oilton and towns of Rio Bravo and El Cenizo, Texas on South Highway 83 will be assisting the general public in obtaining services to and from employment, education, shopping, recreation, health care, etc. Also professional, cost effective, efficient, coordinated passenger transportation services using the most efficient combination of financial and other resources ; targeting the general population including elderly and disadvantage. These routes are served with a fleet of 17. We also anticipate expanding and/or improving funded transportation services to all areas of Webb County where local support and the demand for those services exist to transport using 15 to 25 passenger buses. In addition, providing operational and technical assistance and develop improved public transportation services in partnership with other transit agencies.
- Identify and describe methods to procure goods and/or services related to this project.
 

n/a
- If vendors have been previously selected, complete the following (press the save button for additional rows).
 

Vendor Name	Description of goods/services
