50<sup>th</sup> Alumni Golden Celebration

The 50th Alumni Golden Celebration is a reunion and award ceremony designed to raise funds for TAMIU student scholarships while providing the alumni community with the opportunity to reconnect with classmates, professors, and the TAMIU campus during its 50th Anniversary year.

The Association functions as a fundraising extension for the University and the organization's mission is to assist students and student organizations with funding in ensuring student success and graduation.

In the past three years, enrollment at TAMIU has grown 6.68%, and maintains a retention rate of 85.8% for undergraduates; one of the highest retention rates in the state of Texas which is made possible by scholarships and endowment funds like those maintained by the Alumni Association. In Fall of 2018, TAMIU awarded financial aid to 76% of the 7,884 enrolled students.

The Alumni Golden Celebration looks to unite former students from across the US and beyond and has the potential of having a substantial economic impact on the community as it will draw engagement on a national and international scale. TAMIU alumni reside across North & South America, Europe, Asia, Australia, and Africa.

This event will target all members to educate them on their donor impact and will generate increased donation engagement to ensure funding and support for years to come. The Association is determined to exhaust all opportunities to support this and all University endeavors.
