Attached hereto are two (2) original contracts for your review and signature. Please review the contract, paying special attention to Exhibit A, Scope of Services. If this accurately represents your organization's activities and commitment to provide services, please sign both contracts and return them at your earliest convenience. Please return both original signed contracts to:

Please be advised that if you were a recipient of funding for the 2019-2020 fiscal year pursuant to a Third Party Funding Agreement you must also submit two detailed annual reports which identify the services delivered and expenses incurred under last year's agreement. Failure to submit the report may cause delays in any payment due your organization for the current fiscal year.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tano E. Tijerina".
