Dear Chief Rangel:

Enclosed is a \$2,000 donation check from Electric Transmission Texas, LLC (ETT) to support the mission of the Webb County Fire Department.

ETT is an electric utility joint venture between American Electric Power (NYSE: AEP) and Berkshire Hathaway Energy Company, whose purpose is to build, own and operate electric transmission projects within the Electric Reliability Council of Texas (ERCOT). We own transmission facilities throughout the state and have several construction projects underway.

Also included with this check is a tax receipt letter, which we request be provided to us within 30 days of receiving this check, in order to comply with U.S. tax laws and IRS regulations.

ETT seeks opportunities to contribute to local community organizations in the areas we serve. ETT is proud to contribute to worthy charitable organizations such as yours, and I personally appreciate your commitment to improving the quality of life in our community.

Sincerely,
