Subject: 2021 STX HIDTA SWB Budget Application Request

Good afternoon,

We are happy to inform you that Congress has approved the 2021 Federal budget, each agency must now submit their SF 424 Grant application.

ONDCP Policy 7.8

“Grantees must submit a Standard Form (SF)-424, “Application for Federal Assistance,” and the associated certifications and representations.”

The application package includes the following forms found at <https://www.grants.gov/web/grants/forms/sf-424-family.html> (attached for your convenience)

- Application for Federal Assistance (SF-424_3_V3.0 i) Exp 12/31/22
- Assurances for Non-Construction (SF424B_V1.0) Exp 2/28/22
- Budget Information (SF424A-V1.0) Exp 02/28/22
- Certification Regarding Lobbying, no expiration date

Also included are the instructions for completing the application provided by ONDCP (same as in prior years). Please complete and review your applications. Once completed and if you wish, send it to me for a final review prior to presenting it for signatures. This will speed the process up.

NOTE:

The 2021 budgets will be sent to each individual agency by Wednesday.

We understand the processing takes time but we are asking that the signed applications be returned as soon as they are available.

As always if you have any questions please feel free to reach out to me.
