Ref: **Webb County La presa Potable Water Dispensing Station, PWS 2400029**
Plan Review Log No. P-11082019-062
Notice of Project Completion

Team Members,

On behalf of Webb County, we are hereby notifying you that a final inspection of the above referenced project was conducted last week. The water dispensing station constructed by SAL Construction Management, LLC. was found to be substantially complete in accordance with the plans and specifications.

Please do not hesitate to call me if you have any questions.

Sincerely,

Wayne Nance, PE, RPLS
