Laredo, Texas 78040

**Re: Proposal for Professional Services
Asbestos Containing Building Material (ACBM) Survey
Proposed Area of Renovation
Webb County Medical Examiner Office
Laredo, Texas
OES Proposal No. PLE-E2102-07**

Dear Mr. Perez Garcia:

O'Connor Engineering & Science, Inc. (OES) is pleased to submit our proposal to provide an investigation for suspect ACBM at the above referenced site.

PROPOSED SCOPE OF WORK

Our proposed scope of work is based upon your email request and requirements. As such, **OES**, a Texas Department of State Health Services (TDSHS) licensed Asbestos Consultant Agency, will conduct the following scope of services in connection with this project:

- **Asbestos Survey**

A survey of the subject area referenced above will be conducted to determine the presence or absence of ACBM in materials scheduled for disturbance. Suspect materials will be bulk sampled from the subject area and analyzed for possible asbestos content. The samples will be collected by a TDSHS licensed Asbestos Inspector. The bulk samples will be collected using sampling protocols as outlined in the Texas Asbestos Health Protection Rules (TAHPR). The samples will be analyzed by a TDSHS-licensed laboratory using Polarized Light Microscopy (PLM) Methods.

Proposal for Professional Services
ACBM Survey
Proposed Area of Renovation
Webb County Medical Examiner Office
Laredo, Texas

Page 2 of 2

- **Survey Report**

A report will be published detailing our findings and recommendations. Our report will discuss the approximate quantity of ACBM (if discovered), the physical assessment, and identified ACBM's.

PROJECT FEES

Our required fee to complete the Scope of Work described herein is **a lump sum in the amount of \$1,815.00**. No additional work will be conducted without prior notice.

PROJECT REQUIREMENTS

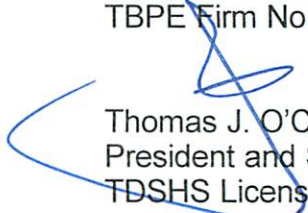

Upon receiving a written notice to proceed, **OES** will schedule the field portion of the survey. Upon receipt of the results of analysis from the laboratory, **OES** will provide a written report of the findings.

If the scope of work and project fees are acceptable, please provide us with notice to proceed by returning a signed copy of this letter proposal to our office.

If you have any questions regarding our proposal or if you require our assistance in another capacity, please call us in Laredo at 956.728.1123.

Sincerely,

O'CONNOR ENGINEERING & SCIENCE, INC.
