RE: Election Systems & Software, LLC (“ES&S”) ExpressVote Cart

Dear Ms. Diaz:

This letter is in response to Webb County’s (“County”) request for information regarding the ES&S ExpressVote Cart (“ExpressVote Cart”).

Please be advised that ExpressVote Cart has been specifically manufactured for ES&S by C.R. Daniels, Inc. Only ES&S and C.R. Daniels are authorized to sell the ExpressVote Cart in the marketplace. Both ES&S and C.R. Daniels sell the ExpressVote Cart for the same price in the marketplace.

The ExpressVote Cart has been specifically designed to work in conjunction with the County’s ES&S ExpressVote ballot marking devices. The ExpressVote Cart allows for the easy transportation, use and storage of the ES&S ExpressVote ballot marking devices. The ExpressVote ballot marking device is a proprietary product of ES&S.

Please let me know if you have any questions or need any additional information.

Sincerely,

Katie D. Figgins
Associate General Counsel
