Mr. Amaro I was out for a few days. Thank you for your timely response and proposal but I need to do what is in the best interest for the Tax payers of Webb County and to support competitive pricing for best value. Although you had more than 50% of the sites awarded to South Sanitation.. I respect your position and will move on.. just wanted to double check to make sure that was your final decision.

I will proceed to rescind the award to Southern Sanitation.

Thank you,

Good afternoon Mr. Lopez,

As we discussed before, we will not be able to accept the award of the locations in this form. We would definitely consider the full list of locations if Webb County agrees.

Regards,
Antonio Amaro

Subject: FW: Notice of Award ITB 2022-18 Annual Contract for Refuse Collection

Mr. Amaro good morning,

I need to execute the contracts so they are ready for October the 1st. As discussed last week over the phone, Southern Sanitation was awarded 18 sites and another vendor was awarded 16 sites. The basis for that was low bid. I understand Southern Sanitations position in wanting to be considered for the entire 34 sites, but we are using public funds and it is my responsibility to promote competition and seek best price. I ask that Mr. Trevino reconsider the award so Webb County can take advantage of the lower pricing on the 18 sites he was awarded. **Please let me know by noon today.** Should I not hear back from you then I will respect Southern Sanitations position to decline the award.

Respectfully,
