(Traditional Site Framework or Outside Alternative Site Framework Service Areas)

To whom it may concern,

We are formally requesting the authorization of 4500 sq/ft of FTZ tract at the new warehouse we contracted at 5812 East Drive, Laredo, TX 78041. The warehouse is only one block away from our facility. This will enable us to quickly expedite the vacating of the property at 5513 Thomas Ave. Please let us know if there is anything else we need to provide besides having the warehouse approved from customs and the offsite approval of the city. Name of Operator, American Air Freight INC, will remain. I thank you in advance for your support and cooperation in this matter.

Yours Truly,
Wolf Hofman
President
