Great! The year end for this grant runs through the end of February 2021 so any balances will need to be carryover if the funds are not used at the end of February. Just a friendly reminder that your department will need to place an agenda item for authorization to carryover the funds (if any), in addition a budget amendment form will need to be submitted. Thank you for your prompt attention and everyone have a blessed lunch!

Good morning,

I hope both of you are doing well! I just want to confirm if Loop 20 Extension CSJ 0086-14-058 will be closed. The balance left of \$757,268.35 will not be carried over to next fiscal year? Also, for Loop 20 Initiative CSJ 0086-14-051, is there a letter from TxDot reference the close out of this grant? Thank you and have a pleasant week!
