Statement of Work

This Statement of Work outlines the roles and responsibilities by both ClearGov and Customer required for the activation and onboarding of the ClearGov Service. ClearGov will begin this onboarding process upon execution of this Service Order. All onboarding services and communications will be provided through remote methods - email, phone and web conferencing.

ClearGov Responsibilities

- ClearGov will activate ClearGov Service subscription(s) as of the applicable Start Date(s). ClearGov will create the initial Admin User account, and the Customer Admin User will be responsible for creating additional User accounts.
- ClearGov will assign a Client Success Manager (CSM) responsible for managing the activation and onboarding process. ClearGov CSM will coordinate with other ClearGov resources, as necessary.
- ClearGov CSM will provide a Kickoff Call schedule to Customer's Primary Contact - to be scheduled within two weeks after the Service Order has been executed.
- ClearGov will provide Customer with financial data requirements and instructions, based on the ClearGov Service subscription(s). If necessary, ClearGov will set up a Data Discovery call to assist with such requirements/instructions.
- ClearGov will review financial data files and confirm that data is complete, or request additional information, if necessary. Once complete financial data files have been received, ClearGov will format the data, upload it to the ClearGov platform and complete an initial mapping of the data.
- After initial mapping, ClearGov will schedule a Data Review call with a ClearGov Data Onboarding Consultant (DOC), who will present how the data was mapped, ask for feedback and get answers to open questions. Depending upon Customer feedback and the complexity of data mapping requests, there may be additional follow up calls or emails required to complete the data onboarding process.
- ClearGov will make Customer aware of all training, learning and support options. ClearGov recommends all Users attend training sessions and/or read Support Center articles before using the ClearGov Service to ensure a quick ramp and success. As needed, ClearGov will design and deliver one customized remote training session for Admins and one for End Users - via video conference - and these sessions will be recorded for future reference.
- ClearGov will make commercially reasonable efforts to complete the onboarding process in a timely fashion, provided Customer submits financial data files and responds to review and approval requests by ClearGov in a similarly timely fashion. Any delay by Customer in meeting these deliverable requirements may result in a delayed data onboarding process. Any such delay shall not affect or change the Service Period(s) as set forth in the applicable Service Order.

Customer Responsibilities

- Customer's Primary Contact will coordinate the necessary personnel to attend Kickoff Call within two weeks after the Service Order has been executed. If Customer needs to change the date/time of the Kickoff Call, the Primary Contact will notify the ClearGov CSM at least one business day in advance.
- Customer will provide requested financial data files (revenue, expense, chart of accounts, etc.) to ClearGov in accordance with the requirements provided by ClearGov.
- Customer's Primary Contact will coordinate the necessary personnel to attend the Data Review call. It is recommended that all stakeholders with input on how data should be mapped should attend. Based on the Data Review call and any subsequent internal review, Customer shall provide a detailed list of requested changes in a timely manner, and Customer will approve the final data mapping, once completed to Customer's satisfaction.
- Customer shall be solely responsible for inputting applicable text narrative, custom graphics, performance metrics, capital requests and personnel data and other such information for budget books, projects, dashboards, etc.
