Rz is providing frequency coordination services to you as a recommendation only by FCC Rule. Our liability will be limited to the invoiced fee amount. There is no guarantee of FCC licensing, despite our best efforts on your behalf.

Please be advised that there could be additional fees after coordination for items including but not limited to inter-service fees, required engineering or re-coordination. You will be advised if any additional fees apply before final approval of the application.

**Refund Policy:** The fees charged by Rz are for the coordination service APCO provides and do not guarantee the acquisition of frequencies. Fees are earned when applications have progressed to the coordination stage and are due according to our invoice terms and are not refunda
