K. Project Area: Front-end indigent defense operations

Project Analysis:

1) What County needs, services or problems will be addressed by this project? **Webb County is in its second year for grant funding for the weekend indigent defense coordinator at our jail. Our office has the responsibility to interview those individuals that are indigent and qualify for a court appointed attorney. Our department is limited in staff, which has placed a hinderance on our regular business operations in providing effective and efficient services for indigent clients during the week. Also, it has become difficult scheduling our staff during the regular work week. This has placed employees earing accrued comp-time, that the county may pay out if and employee resigns.**

- 2) What is the grant matching amount of local funds or in-kind that will be proposed? Please identify specific sources of funds. **Amounts are contingent pending grant approval.**
- 3) Will this proposed project add cost, services or any financial responsibility to the County's General Fund after the project ends? Please explain. **Yes, it may add an additional cost, if the county absorbs the salary of the position at the end of the project.**
- 4) Will this project add employees to the county payroll if and when the grant is terminated? **Yes**
- 5) Does this project propose any monetary grant-funded stipends, incentive pay, supplement pay or any other pay that exceeds County General Fund salary? These types of monetary compensation are strictly prohibited. **No, part-time employees are not eligible for retirement benefits or health care benefits. Also, they are not eligible to earn annual leave, sick leave or compensatory time.**
- 6) What are the operating and maintenance costs of the grant funded project activities that will be funded by the county? **Non, all office equipment exists.**
- 7) How many citizens will be served and in what way? **All criminal indigent clients will be provided with quality legal representation and services.**
- 8) Please provide the name of the department representative responsible for providing the Economic Development staff with the copy of the submitted grant application. **Cornell Mickley**
