Education	The program will ensure that all enrolled children possess the skills, knowledge, and attitudes necessary for success in school and later in life.	1. The program will utilize the Head Start Early Learning Outcomes Framework that outlines the essential areas of development and learning to establish and update school readiness goals for children, monitor children's progress, align curricula, and conduct program planning. 2. The Domains will be represented in the School Readiness Goals. 3. The Head Start Parent and Family Engagement foundations will be used to support school readiness goals and child outcomes such as enhanced school readiness skills, sustained learning, and development into elementary. 4. The program will link health and school readiness by identifying and treating children's health issues and helping families comprehend developmental screening and referral, providing engaging, empowering, and action-oriented health education programs that are designed for and with families to support child development in culturally and linguistically responsive and meaningful ways, as well as prevention when health issues affect children's learning. 5. The Head Start Director and Education Director will present the school readiness goals to the governing body annually for input / approval. 6. The School Readiness Team will ensure and monitor progress in	HS/EHS/CCP Director Assistant Director Education Director Specialized Services Director Education Assistants Specialized Services Assistants Area Service Managers School Readiness Team	Teaching Strategies GOLD assessment & CLI- CIRCLE Progress Monitoring Parent, Family, and Community Engagement Framework Infant, Toddler, & Pre-K CLASS instruments Practice- Based Coaching (Researched Based Tools) Curricula Fidelity Tools T&TA Funds	\$5,000	On-going Service of the control of t	Content Area Monitoring Report Education Outcome Reports CLASS Reports Staff Assessment based on classroom data/monitoring reports/Home Visitors Rating Scale (HOVRS)		

Early Learning Outcomes Framework,
Texas Pre-Kinder guideline, and the
requirements and expectations of the
local education agencies.
7. The HS/EHS/CCP Classroom
Assessment Scoring System (CLASS)
instrument will be used to assess the
quality of classroom interactional
processes. The Education Director,
Education Assistants, Area Service
Managers, and other Content Area
Staff, will assess classrooms two times
in the program year.
8. Practice Based Coaching (PBC) for
HS/EHS/CCP is based on the staff
assessment data that will identify the
strengths and any needed support for
intensive coaching. This will include
opportunities to be observed and
receive feedback and modeling for
effective teacher practices that will be
related to their program performance
goals.
9. The Curricula Fidelity Tools will
be used to assess the quality of center-
based child care services for children
from birth through 5 years of age. The
information in the checklist pertains to
the classroom environment, children's
supervision, classroom management,
and adult/child interaction.
10. The Home Visitor's Rating Scale,
HOVRS is used to monitor the EHS
Home Base Visitors; It assesses:
Home Visitor's Responsiveness &
Relationship with the Family,
Facilitation of Parent-Child
Interaction, and Non-Intrusiveness/
Collaboration with the Family.
Conadoration with the Family.
