**Services Addendum Rev. 4.2**

**A.1** This Services Addendum (the "Services Addendum") is entered by, and between, TruMed Systems, Inc. ("TRUMED") and Webb County Public Health Services ("User") - collectively "the Parties" incorporating terms of the Master Subscription Agreement (the "Subscription Agreement") dated as of 3/15/2022 by, and between User and TruMed Systems, Inc. TRUMED. Capitalized terms not otherwise defined in this Services Addendum have the same meaning as set forth per those stated in the Subscription Agreement.

**A.2 Scope:** User is procuring a subscription to the System(s) identified in this Agreement and/or one or more Quotes signed by User and TRUMED. The System ("Equipment" or "System") is composed of kiosk Equipment to be located at the User's site (e.g. AccuVax® and AccuShelf products and components). The Equipment is designed to be used in conjunction with the Portal and proprietary software, services and information available to User via the Portal, as well as the System software and firmware installed to the Equipment (collectively the "Services").

**A.3 Properly Performing:** TRUMED will provide support to maintain the Equipment in a properly performing status and will furnish remote and on-site Service(s) as stated below. In the event service does not resolve a performance problem, and it is determined the Equipment cannot function to standard, TRUMED will replace the defective hardware within 48-hrs. TRUMED may limit or suspend access to the Services as reasonably necessary to conduct routine and emergency maintenance.

**A.4 Portal and Services.** Subject to terms and conditions of the Agreement, during the Term, User has a non-transferable, non-exclusive and non-sublicensable right to access via the Internet the Services solely for User's internal purposes in connection with using the Equipment. TRUMED may occasionally modify or enhance the Services. User

shall be responsible for all account activity, including acts, errors and omissions of its authorized personnel or any authorized resource accessing its (User's) account.

**A.5 Patient Safety Checks:** To the extent permitted by the laws and Constitution of the State of Texas, and specifically Article XI, Section 7 of the Texas Constitution, and with the mutual understanding that WEBB COUNTY is a political subdivision of the State of Texas and that an indemnity obligation cannot be paid from current revenues and that no order, resolution, tax nor interest and sinking fund has been set, adopted or established for payment of this indemnity obligation, and without expanding WEBB COUNTY's liability beyond the statutory limits of the Texas Tort Claims Act or under existing law, and furthermore, without waiving WEBB COUNTY's immunity beyond the scope of that allowed by the Texas Tort Claims Act or existing law, shall indemnify and hold harmless TRUMED's officers, agents, employees, and assigns from all suits, actions, or other claims of any character brought for or on account of injury to a person or property arising from WEBB COUNTY's use of the software application Patient Safety Checks Application ("Safety Checks Application") on User's Systems throughout its network.

**A.6 Vaccine Loss Insurance:** Section A6, Vaccine Loss Insurance, is only applicable for AccuVax® product lines. TRUMED maintains appropriate levels of insurance coverage to provide for any loss of vaccine resulting from the failure of its AccuVax® System proven to have not been caused by User negligence or *Forces Majeure*. TRUMED Vaccine Loss Insurance is invalid if User does not follow their Emergency Vaccine Management Plan (per CDC Guidelines) which outlines actions staff should take in the event of an emergency that might affect vaccine viability or provide commercially reasonable assistance to TRUMED to evacuate and/or relocate vaccines. User shall be named as an additional loss payee on TRUMED's product liability policy.

TRUMED will reimburse for each dose rendered unusable according to the vaccine manufacturer's guidance should the AccuVax® System fail to maintain correct storage temperatures [*Refrigerator Section*: 2-8 degrees centigrade (35 to 45 degrees Fahrenheit); *Freezer Section*: ≤ -15 degrees centigrade (-5 to 5 degrees Fahrenheit)], except in the event of a power outage lasting more than 9 consecutive hours, user neglect/misuse including improper loading of vaccines per as demonstrated during user training, vaccine loss that is otherwise covered by the State VFC program, or due to expressed inaction by User to provide assistance to TruMed. The viability of each vaccine affected must be verified by following the applicable state immunization program's instructions, or by consulting the vaccine manufacturer and documentation of loss provided to TRUMED. The type and number of vaccines to be reimbursed will be determined according to the inventory record of those affected by TRUMED's AccuVax® unit. The dollar amount of reimbursement will be calculated by multiplying the number of unusable doses of each vaccine by the per dose price paid by the User for replacement doses against submission of valid receipt and documentation of loss.

**A.7 Remote Access and Support Services:** TRUMED will provide remote support services on an on-going basis, including Software Updates, as defined herein. "Software Update" means a bug fix, patch, error correction, virus update, minor enhancement, or modification to existing features to maintain the security or operation of the Software. During the Support Term, if TRUMED releases an Update to the Basic Software, then TRUMED will install the Update via remote access or by other means, as chosen by TRUMED, and will deliver notice to User of the Update. Major "Software Upgrades" means a significant enhancement, new feature or other improvement to the Software, but does not include any hardware, third-party Software, or any other Software that TRUMED generally licenses separately and would, otherwise, not be included in the initial sales Quote.

**A.8 Support Requests:** If the Equipment is not performing or functioning to standard, the User will notify TRUMED of the issue by contacting its Help Desk via telephone: (844) 878-6331; via email: Support@TruMedSystems.com; or via the TRUMED Portal. For less urgent matters, email or portal inquiries are recommended and will be answered the same business day. TRUMED and/or a TRUMED-authorized third-party field service provider will

All such alterations and permanent attachments shall become part of the Products and shall be owned by TRUMED. User acknowledges, warrants and agrees that TRUMED or its agents shall have the right to inspect the Equipment from time to time during reasonable business hours at its then current location.

**INDEMNIFICATION:** TRUMED is not responsible for any losses or damages caused by the installation or use of the Products, or from any other kind of loss while User is in possession of the Products. Notwithstanding any other paragraph, to the extent permitted by the laws and Constitution of the State of Texas, and

specifically Article XI, Section 7 of the Texas Constitution, and with the mutual understanding that WEBB COUNTY is a political subdivision of the State of Texas and that an indemnity obligation cannot be paid from current revenues and that no order, resolution, tax nor interest and sinking fund has been set, adopted or established for payment of this indemnity obligation, and without expanding WEBB COUNTY's liability beyond the statutory limits of the Texas Tort Claims Act or under existing law, and furthermore, without waiving WEBB COUNTY's immunity beyond the scope of that allowed by the Texas Tort Claims Act or existing law, shall indemnify and hold harmless TRUMED's officers, agents, employees, and assigns from all suits, actions, or other claims of any character brought for or on account of injury to a person or property arising from WEBB COUNTY's use of the Products or from defects in the Products.

**END OF TERM AND RENEWAL:** TRUMED must receive notice from User in writing at least 120 days prior to the expiration of the Initial Term or any Renewal Period, of User's intention to return the Products to TRUMED or to enter a Renewal Term. User's obligation to pay Subscription Fees will continue until the Products are made available for removal and return to TRUMED. Unless notice is timely received by TRUMED, a Subscription Agreement will automatically renew for an additional term of 12 months (a "Renewal Period") under the same terms and conditions on the applicable Schedule.

**LATE FEES AND COLLECTION CHARGES:** If any Subscription Fee payment or other amount payable to TRUMED is not paid within 10 days of its due date, User shall, to the extent permitted by law, pay on demand, as a late charge, an amount equal to the greater of \$25.00 or 5% of the amount then due for each 30 days or portion thereof that said overdue payments are not made (but in no event to exceed the highest late charge permitted by applicable law). User also agrees to pay any fees assessed for each check or ACH returned unpaid.

**NO WARRANTY:** User acknowledges that TRUMED does not manufacture or develop the Equipment or the software, that TRUMED is solely responsible for maintenance of the Equipment and that User has selected TRUMED based on User's own judgment and the Products based solely on the advice of TRUMED and not on any advice or recommendation from TRUMED. **TRUMED IS MAKING THE PRODUCTS AVAILABLE TO USER "AS IS." TRUMED MAKES NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IN CONNECTION WITH THE PRODUCTS. TRUMED SHALL NOT BE RESPONSIBLE FOR ANY CONSEQUENTIAL OR INCIDENTAL DAMAGES. TRUMED SHALL NOT BE LIABLE FOR ANY LOSS OR INJURY TO USER OR TO ANY THIRD PERSON OR PROPERTY, INCLUDING DIRECT, INDIRECT, CONSEQUENTIAL, INCIDENTAL AND SPECIAL DAMAGES CAUSED BY THE USE, OWNERSHIP OR POSSESSION OF THE PRODUCTS. IF THE PRODUCTS DO NOT OPERATE AS REPRESENTED BY TRUMED OR IS UNSATISFACTORY FOR ANY REASON WHATSOEVER, USER WILL NOT MAKE ANY CLAIM AGAINST TRUMED FOR DAMAGES.** User agrees to continue making payments to TRUMED under each Schedule, regardless of any claims User may have against the manufacturer, TRUMED

or any other vendor. TRUMED transfers to User for the term of the applicable Subscription Agreement any warranties made by the manufacturer or a vendor of the Products subject to such Subscription Agreement. No representation or warranty by the manufacturer, TRUMED or any other vendor is binding on TRUMED nor shall breach of such warranty relieve User of User's obligation to TRUMED as provided herein.

**SOFTWARE:** User agrees that any software included in the Products is subject to the following: (1) TRUMED disclaims all warranties and obligations in regard to the software other than TRUMED' obligation to pay the invoiced price of the software to the software vendor; (2) TRUMED will not be liable to User for (a) the inadequacy of the software for any purpose; (b) any deficiency or defect in the software; (c) the performance of the software; or (d) any interruption or loss of service, use or performance of the software; (3) User agrees to deal directly with TRUMED for any problems, deficiencies or inadequacies relating to the software; (4) other than with respect to any software upgrade and support services which are included in the Products, TRUMED' sole responsibility with respect to which is to pay the invoiced price of such services to TRUMED, User shall remain responsible for all software maintenance and enhancement costs; (5) User acknowledges and agrees that any Default under this Subscription Agreement shall constitute a breach of the related software license agreement and upon the occurrence of any Default, TRUMED may require TRUMED, and TRUMED shall be authorized, to immediately terminate the software license agreement; (6) if TRUMED repossesses the Products under the terms of a Subscription Agreement, User agrees immediately to assign to TRUMED all of User's rights in the software and to take all such acts as are necessary to cause such an assignment.

**INSURANCE:** During the term of a Subscription Agreement, User will procure and maintain at User's expense, property insurance, naming TRUMED or its assigns as the sole loss payee, for the full replacement value of the Products, and general liability insurance, naming TRUMED or its assigns as additional insureds, in an amount acceptable to TRUMED, but in no event shall it be less than \$50,000 per AccuVax System and \$15,000 per AccuShelf System, covering any personal injury, death or third-party property damage arising out of or relating to the use or operation of the Products. User will furnish TRUMED with evidence of such insurance when requested. If User does not furnish TRUMED such evidence, TRUMED may at its option purchase such insurance for the Products and add the cost of such insurance to the amounts due from User under the applicable Subscription Agreement. If TRUMED purchases such insurance on User's behalf, it shall not relieve User of any of its obligations under the applicable Subscription Agreement or release User from any claims TRUMED may have against User. All such insurance shall provide for thirty (30) days' prior written notice to TRUMED of cancellation, restriction, or reduction of coverage. User hereby irrevocably appoints TRUMED as User's attorney-in-fact to make claim for, receive payment of and execute and endorse all documents, checks or drafts for loss or damage under any insurance policy insuring the Products.

**OWNERSHIP, TAXES AND UCCs:** TRUMED is the owner of the Products and holds title to the Products. User must keep the Products free and clear from any lien, levy, attachment or encumbrance, and User understands that the Products are not User's to pledge or grant security interests in, except for the security interest granted TRUMED herein. In addition to the payment of the Subscription Fees, User shall reimburse TRUMED for all license or registration fees, assessments, sales and use taxes, rental taxes, gross receipts taxes, personal property taxes and other taxes now or hereafter imposed by any federal, state or local government upon the Products, the Subscription Fees or upon the ownership, leasing, renting, purchase, possession or use of the Products (whether the same be assessed to TRUMED or User). TRUMED shall file all property tax returns and pay all taxes when due. User's obligation to reimburse TRUMED for any taxes paid or other non-rent related charges shall be due and payable upon invoice from TRUMED in accordance with the terms of such invoice. User shall indemnify TRUMED to the extent of any such unpaid taxes or fees (including penalties and interest) and TRUMED' costs associated therewith. While User acknowledges that it does not have title to the Products, as a precautionary matter in the event a court recharacterizes this agreement as a secured transaction, User grants to TRUMED a security interest in the Products and authorizes TRUMED to record UCC financing statements to indicate TRUMED's interest in the Equipment.

**DEFAULT:** Each of the following is a "Default" under each Subscription Agreement: (a) User does not pay a Subscription Fee payment or any other amount payable to TRUMED within 10 days of its due date; (b) User fails to perform any of User's non-monetary obligations under this Master Agreement or any Subscription Agreement and such failure is not cured within 10 days after TRUMED' notice of that failure to User; (c) any representation or warranty User makes to TRUMED or TRUMED in, or in connection with, a Subscription Agreement shall prove to have been false in any material respect; (d) any execution or writ of process is issued in any action to seize or detain the Products; (e) User defaults under or otherwise has accelerated any material obligation, credit agreement, loan agreement, conditional sales contract, lease, indenture or debenture; or User defaults under any other agreement now existing or hereafter made with TRUMED or TRUMED; (f) User's financial condition changes, or the financial condition of any guarantor of such Subscription Agreement changes, to the point where it reasonably causes TRUMED to be insecure about User's ability to perform User's obligations under this Subscription Agreement and any Schedule or any other agreement with TRUMED; or (g) any guarantor of such Subscription Agreement dies, or User or any such guarantor: becomes insolvent or unable to pay debts when they become due; files a voluntary petition in bankruptcy, is subject to an involuntary petition in bankruptcy, files or has filed against it a petition seeking any reorganization, arrangement or composition, under any present or future statute, law or regulation; stops doing business as a going concern; merges, has a change of control through a sale or transfer of all or substantially all of its equity; transfers or sells all or substantially all of its assets; makes an

assignment for the benefit of creditors; or has a trustee or receiver appointed for it.

**TRUMED' REMEDIES:** If a Default occurs, TRUMED may, but shall not be obligated to, do one or any combination of all of the following: (1) require User to immediately pay all sums already due under this Master Agreement and any Subscription Agreement plus any and all other sums becoming due (including an acceleration of remaining Subscription Fee payments); (2) cancel all of User's rights, but not User's obligations, under such Subscription Agreement; (3) require User to promptly return all of the Equipment and pay for any damage or pay replacement cost of the Product, as determined by TRUMED; and/or (4) repossess, sell, use, lease and/or otherwise dispose of the Products. In addition, TRUMED is permitted to use any, and all remedies available to TRUMED under the Uniform Commercial Code or any other applicable law. TRUMED may accept past due payments without modifying the terms of such Subscription Agreement and without waiving any of TRUMED rights under such Subscription Agreement. **USER AGREES TO PAY ALL OF TRUMED' COSTS OF ENFORCING TRUMED' RIGHTS AGAINST USER, INCLUDING ATTORNEYS' FEES.** If it is necessary for TRUMED to take possession of the Products, User agrees to pay the cost of repossession, sale, lease and/or disposing of the Products.

All Deadlines shall conform to Texas Law as Follows:

In conformance with Texas Government Code § 2251.021. **TIME FOR PAYMENT BY GOVERNMENTAL ENTITY.** A payment by a governmental entity under a contract is overdue on the 31st day after the later of:

- (1) the date the governmental entity receives the goods under the contract;
- (2) the date the performance of the service under the contract is completed; or
- (3) the date the governmental entity receives an invoice for the goods or service.

Notwithstanding the finance charge, failure to pay invoices in accordance including applicable federal, state, and local taxes with such terms shall be considered a breach of this contract and could result in a discontinuance of our services without prior notice. Customer agrees it shall have no right of offset against charges for services rendered. The rate of interest that accrues on an overdue payment is the rate in effect on September 1 of the fiscal year in which the payment becomes overdue. The rate in effect on September 1 is equal to the sum of: (1) one percent; and (2) the prime rate as published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

**ASSIGNMENT:** USER HAS NO RIGHT TO SELL, TRANSFER, ASSIGN OR SUBLET THE PRODUCTS, ANY SUBSCRIPTION AGREEMENT OR THIS MASTER AGREEMENT WITHOUT THE PRIOR WRITTEN CONSENT OF TRUMED. TRUMED may sell,

assign or transfer each Schedule and this Master Agreement or its rights in the Products without notice to User. If TRUMED sells, assigns or transfers a Schedule or this Master Agreement, the new owner will have the same rights or benefits TRUMED has now. User agrees that the rights of the new owner will not be subject to any claim, defense or setoff that User may have against TRUMED. In connection therewith, User agrees to acknowledge in writing any such assignment upon receipt of written notice thereof.

**CHOICE OF LAW:** THIS MASTER AGREEMENT AND EACH SCHEDULE WILL BE GOVERNED BY, ENFORCED IN AND INTERPRETED ACCORDING TO THE LAWS OF THE STATE OF TEXAS. USER CONSENTS TO EXCLUSIVE JURISDICTION IN THE STATE OR FEDERAL COURTS OF WEBB COUNTY TEXAS. USER EXPRESSLY WAIVES ANY RIGHT TO A TRIAL BY JURY.

**REDUCTION OR NON-APPROPRIATION OF FUNDS:** Webb County cannot warrant that funds will be available to pay for the funds through the end of the current and/or any future fiscal period, and shall use the County's budgetary process to obtain funds to pay all payments in and through the end of this year's term or any future term. If our appropriations request to our commissioners court for funds is unable to pay for this agreement or is denied then this agreement may terminate on the earlier of the last day of the fiscal period or for which funds are available and have already been appropriated. Final payments will be made subject to the submission of documentation as stated in this agreement that evidences services rendered. The satisfaction of all obligations under this Agreement that are required to be provided to Webb County or its representative including the return of any documentation that must be preserved by the County pursuant to federal and state laws or grant provisions will be required prior to any disbursement of payment by Webb COUNTY, TEXAS.

User reasonably believes that funds can be obtained sufficient to make all Subscription Fee payments or other amounts payable to TFS during the current fiscal period. The officer of User responsible for budget preparation will do all things lawfully within his/her power to obtain, maintain and properly request and pursue funds from which the Subscription Fee payments may be made, including making provisions for such payments to the extent necessary in each budget submitted for the purpose of obtaining funding, using his/her bona fide best efforts to have such portion of the budget approved and exhausting all available administrative reviews and appeals in the event such portion of the budget is not approved. User shall give Provider immediate notice of User's intent to terminate this Master Agreement under this Section, which notice shall contain the termination date (which shall be the end of the last of User's fiscal years for which appropriations for the Subscription Fee payments were made) (the "Termination Date") and User shall comply with the provisions of the Termination Procedure Section of this Master Agreement. In the event of an early termination of this Master Agreement under this Section, all obligations of User to make Subscription Fee payments which would otherwise be due hereunder after the Termination Date shall cease. User agrees, to the extent permitted by applicable

law, that User will not, and may not, terminate any Master Agreement if sufficient funds are appropriated to User or by User for the acquisition, retention, use, operation, and/or service of other products, which performs functions similar to any of the Products covered by such Master Agreement, for or during the fiscal year during the term of such Master Agreement in which such termination is desired by User or the next immediately succeeding fiscal year of User.

**FURTHER ASSURANCES:** User shall, at User's expense, from time to time execute and deliver such further documents and assurances and take such further actions as TRUMED may reasonably request (a) in order to carry out the intent and purposes of this Agreement or (b) to establish and protect TRUMED' title to the Products or the rights and remedies granted or intended to be granted in favor of TRUMED under the terms of each Subscription Agreement.

**SUCCESSORS; SURVIVAL:** This Master Agreement and each Schedule shall be binding upon and inure to the benefit of the heirs, administrators, successors and assigns of the Parties hereto. User's representations, warranties, indemnities and reimbursement obligations shall survive the termination, cancellation or expiration of this Master Agreement and each Subscription Agreement.

**MISCELLANEOUS:** The Agreement constitutes the entire agreement between TRUMED, User and TRUMED concerning the Subscription which is the subject matter thereof and incorporates all representations made in connection with negotiation of the same. The terms hereof may not be terminated, amended, supplemented or modified orally, but only by a written instrument.

In case any provision in this Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby and such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability.

Upon request, User agrees to provide TRUMED, and any assignee or potential assignee of TRUMED, with such documentation as TRUMED may request to evidence User's compliance with its obligations hereunder, including evidence of payment of all applicable taxes, and User's most recent annual financial statement (audited, if available) and its most current interim financial statements.

User agrees that any delay or failure to enforce TRUMED' rights under this Agreement does not prevent TRUMED from enforcing any such rights at later time.

**FAXED AND COPIED DOCUMENTS:** A facsimile copy of this Agreement with facsimile signatures may be treated as an original and will be admissible as evidence of this Agreement between the Parties.

THIS MASTER AGREEMENT IS EFFECTIVE ONLY WHEN SIGNED BY BOTH PARTIES. THIS AGREEMENT IS NON-CANCELLABLE. USER REPRESENTS THAT ALL ACTIONS REQUIRED TO AUTHORIZE THE EXECUTION OF THIS AGREEMENT ON ITS BEHALF HAVE BEEN

TAKEN AND THAT ANY MANAGER, PURCHASING AGENT OR PERSON OF SIMILAR AUTHORITY IS AUTHORIZED TO SIGN ANY OTHER DOCUMENTATION NECESSARY BY USER REGARDING THIS MASTER AGREEMENT.
