If this Lease is not terminated, pursuant to the provisions of this Article Eight, Landlord shall repair any damage to the Premises caused by the Condemnation, except that Landlord shall not be obligated to repair any damage for which Tenant has been reimbursed by the condemning authority. Consent by Landlord to one transfer shall not operate as consent to any subsequent transfer by Tenant. If Tenant's permitted transferee defaults under this Lease, Landlord may proceed directly against Tenant without first pursuing any remedies against the defaulting transferee. Landlord may consent to subsequent assignments or modifications of this Lease by Tenant's transferee, without notifying Tenant or obtaining its consent; provided, however, that such action by Landlord shall not relieve Tenant of its primary liability under this lease.

9.3 **Landlord's Assignment.** Landlord shall have the right to sell, transfer or assign, in whole or in part, its rights and obligations under this lease and in the Premises. Any such sale, transfer or assignment shall operate to release Landlord from *any* and all liabilities arising out of any act, occurrence or omission relating to the Premises or this Lease arising after the date of such sale, assignment or transfer.

(a) Without declaring the Lease terminated, Landlord may enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying all or any part of the Premises without being liable for any claim for damages, and relet the Premises on behalf of Tenant and receive the rent directly by reason of such reletting. Tenant agrees to pay Landlord upon demand of any deficiency that may arise by reason of any reletting of the Premises, further, Tenant agrees to reimburse Landlord for any expenditure made by it in order to relet the Premises, including, but not limited to, any repair costs.

(b) Without declaring the Lease terminated, Landlord may enter upon the Premises without being liable for any claim for damages, and perform Tenant's obligations under the Lease. Tenant agrees to reimburse Landlord on demand for any expenses which Landlord may incur in effecting compliance with Tenant's obligations under this Lease; further Tenant agrees that Landlord shall not be liable for any damages resulting to Tenant from effecting compliance with Tenant's obligations under this Lease not caused by the negligence of Landlord.

(c) Landlord may terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to surrender the Premises, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Premises and expel or remove Tenant and any other tenant who may be occupying all or any part of the Premises without being liable for any claim for damages. Tenant agrees to pay on demand the amount of all losses and damages which Landlord may suffer for any reason due to the termination of this Lease under this Section 10.02 including, without limitation, loss and damage due to the failure of Tenant to maintain and/or repair the Premises as required hereunder and/or due to the inability of Landlord to re-let the Premises on commercially reasonable terms or otherwise.

(d) Provided that Tenant's default under Section 10.01 (a) above is for failure to pay rent, Landlord may, without judicial process, prevent Tenant from entering the Premises by changing the door locks. If Landlord changes the door locks, Landlord shall place a written notice on the front door of the Premises stating the name and address or telephone number of an Individual or company from which a new key may be obtained by Tenant; provided, however, that (i) the new key needs to be provided only during Tenant's regular business hours, and (ii) Landlord may condition delivery of the new key upon Tenant's payment of all rent then due. Costs and expenses incurred by Landlord in exercise of its rights pursuant to this Section 1.02 (d) shall be deemed to be expenditures and damages recoverable from Tenant pursuant to (a), (b) or (c) of this Section 10.02 not withstanding anything contained in this Lease to the contrary, this Lease may be terminated by Landlord, only by written notice of such termination to Tenant given in accordance with Section 13.05 below, and no other act or omission of Landlord shall be construed as a termination of this Lease.

10.4 Waiver. Failure of Landlord to declare an event of default immediately upon its occurrence, or delay in taking any action in connection with an event of default, shall not constitute a waiver of

the default, but Landlord shall have the right to declare or act upon a default at any time and take such action as is lawful or authorized under this Lease. Pursuit of anyone or more of the remedies set forth in this Article 10 shall not preclude pursuit of anyone or more of the remedies provided elsewhere in this Lease or provided by law, nor shall pursuit of any remedy hereunder or at law constitute a forfeiture or waiver of any rent or damages accruing to Landlord by reason of the violation of any of the terms, provisions or covenants of this Lease. Failure by Landlord to enforce one or more of the remedies provided hereunder or at law upon any event of default shall not be deemed or construed to constitute a waiver of the default or of any other violation or breach of any of the terms, provisions or covenants contained in this Lease. Landlord may collect and receive rent due from Tenant without waiving or affecting any rights or remedies that Landlord may have at law or in equity or by virtue of this Lease at the time of such payment. Institution of a forcible detainer action to re-enter the Premises shall not be construed to be an election by Landlord to terminate this Lease. All waivers made pursuant to the terms and provisions of this Lease must be in writing and signed by the waiving party.

ARTICLE 11 PROTECTION OF LENDERS

11.1 **Subordination.** Tenant accepts this Lease subject and subordinate to any mortgage, deed of trust or other lien presently existing or thereafter placed upon the Premises or the real property upon which the Premises are located, and to any renewals and extensions thereof; provided, however, that any such mortgagee shall have the right at any time to subordinate such mortgage, deed of trust or other lien to this Lease. Tenant agrees upon demand to execute such further instruments subordinating this Lease as Landlord may request if the requesting mortgagee also agrees to not disturb Tenant's peaceful possession in the absence of a default by Tenant hereunder.

11.2 **Attornment.** If any ground or similar such lease, mortgage, deed of trust or security agreement is enforced by the ground lessor, the mortgagee, the trustee, or the secured party, Tenant shall, upon request, attorn to the lessor under such lease or the mortgagee or purchaser at such foreclosure sale, or any person or party succeeding to the interest of Landlord as a result of such enforcement, as the case may be, and execute instrument(s) confirming such attornment. In the event of such enforcement and upon Tenant's attornment as aforesaid, Tenant shall automatically become the tenant of the successor to Landlord's Interest without change in the terms or provisions of this Lease; provided, however, that such successor to Landlord's interest shall not be bound by (a) any payment of Base Rent for more than one month in advance (except prepayments for security deposits, if any), or (b) any amendments or modifications of this Lease made without the prior written consent of such lessor or mortgagee.
