Mr. Gonzalez, Joe, and Cesar,

I met with Lalo a few minutes ago to identify the source of funding for this project. Lalo approved for the funding to come from the operational reserves account. 1001-1130-001-431007-010. Could you all proceed in adding this to the agenda for the next Commissioners Court meeting? My understanding is that the winning bid came from Patriot Fire and Security in the amount of \$13,671.98. Thank you very much for your help with this.

Respectfully,

Subject: WATERR UTILITTIES FIRE ALARM SYSTEM/MEETING ON: JUNE 23, 2023 AT 10:30am.

Good morning,

Final (3) quotes from Patriot Fire and (1)-incomplete from Johnson Control were discussed during the meeting. Patriot Fire was considered to be the lowest bidder. (\$13, 671.98)

Johnson Control/incomplete quote: (\$14, 855.89)

Please keep in mind that these quotes are for getting the system up and running, so that technician(s) can troubleshoot the system and provide their findings.

The systems might need additional parts and/or services after initial service has been provide.

Pending is the funding for this project.

Please advise on how to proceed.
