DATE		DESCRIPTION	QTY	RATE	AMOUNT
	Silent Knight 6700 100-Point Single Loop Addressable Fire Alarm Control Panel	6700 addressable fire alarm control panels include connected panel options, enhanced communications, wireless detection and other advanced features. The panels can be configured to achieve an overall point capacity of up to 100 points. They have one built-in signaling line circuit (SLC), and can connect up to 17 panels with convenient single point communications. Copper wire or fiber-optic cable panel connectivity can be used within the same linked system. The panels also have a built-in, dual-line POTs and IP communicator and optional cellular side-cars.	1	1,700.00	1,700.00T
	Silent Knight SK-PHOTO-W Series Addressable Photoelectric Smoke Detector	SK-PHOTOseries smoke detectors are intelligent plug-in detectors designed for both performance and aesthetics. They have a modern, sleek, contemporary design and come equipped with enhanced optical sensing chambers that are engineered to sense smoke produced by a wide range of combustion sources in accordance with more stringent code standards.	1	189.00	189.00T
	Silent Knight SK-PULL-DA Addressable Dual Action Pull Station	The SK-PULL-DA is a dual actio pull station requiring two motions to activate the station. The SK-PULL-DA are for use with Honeywell Silent Knight Series fire control panels (FACP). Extremely easy to operate,	2	290.00	580.00T

	the SK-PULL-DA provides a fast and practical means to manually initiating a fire alarm signal. The FACP recognizes each manual pull statio by its specific address saving precious seconds determing the location of alarm.				
Silent Knight SK-HEAT-W Addressable 2-Wire Fixed Heat Detector, Includes Base, White	The series includes a 135°F/57°C fixed-temperature, rate-of-rise, and 180°F/88°C fixed high-temperature detectors and are direct replacements for the SK-HEAT Series heat detectors. The point ID address set using rotary decimal switches, provide specific detector locations. These thermal detectors provide effective, intelligent property protection in a variety of applications.	6	193.00	1,158.00T
Genesis 43115504 16/2 Solid Riser Fire Alarm Cable, 500' (152.4m) REELEX Pull Box, Red	Genesis 43115504 16/2 Solid Riser Fire Alarm Cable, 500' (152.4m) REELEX Pull Box, Red	1	275.00	275.00T
System Sensor P2RL L-Series Indoor Selectable Output Horn Strobe, Wall Mount, "FIRE" Marking, Red	L-Series horn strobes are rich with features guaranteed to cut installation time and maximize profits. Intended for full building notification as well as on the property ground, they produce a loud sound to notify occupants to evacuate the buildings; the strobe is intended to notify those that may have a hearing impairment.	3	166.00	498.00T
INSTALLATION & PROGRAMMING	INSTALLATION & PROGRAMMING	1	3,800.00	3,800.00T

This estimate is for a Turnkey install of a Fire Alarm System at the Rio Bravo Water Utilities Warehouse located at 513 Martha Drive. There currently is no Fire Alarm in this warehouse.
