During the Abatement Period, County shall request that the County Appraisal District annually determine both (i) the Certified Appraised Value of Owner’s Eligible Property in the Reinvestment Zone(s) and (ii) the taxable value (taking into account the terms of the Abatement in this Agreement) of Owner’s Eligible Property in the Reinvestment Zone(s). The County Appraisal District shall record both the Certified Appraised Value and the abated taxable value of the Eligible Property in the County appraisal records. The Certified Appraised Value listed in the County appraisal records shall be the standard used for calculating the amount of taxes to be recaptured by the County in the event that the County is entitled to recapture abated taxes under this Agreement. Notwithstanding any of the foregoing, Owner at all times shall have the right to appeal, challenge, or protest appraisals of the Site, Improvements, and Eligible Property, including any portion thereof. Owner acknowledges that the outcome of any appeal, challenge, or protest appraisals on the Project and Improvements will have no effect on the annual PILOT payments as identified in Paragraph IV(F) of this Agreement

Owner will be wholly responsible for damage (normal wear and tear excluded) to the County Roads and rights-of-way (including bridges, culverts, ditches, etc.), if damage is caused directly thereto as a result of the construction of the

Project and Improvements, or directly as a result of operations and maintenance activity conducted on the Project and Improvements (normal wear and tear excluded), including:

IX. Default, Remedies and Limitation of Liability

- A. No party may terminate this Agreement unless (i) such party provides a written Default Notice to the other party specifying a material default in the performance of a material covenant or obligation under this Agreement and (ii) such failure is not (x) excused by the occurrence of an event of Force Majeure or (y) cured by the other party within sixty (60) days after the delivery of the Default Notice, or if such failure cannot be cured within such sixty (60)-day period, the other party shall have such additional time, up to 365 days, to cure such default as is reasonably necessary as long as such party has commenced remedial action to cure such failure and continues to diligently and timely pursue the completion of such remedial action before the expiration of the maximum 365-day cure period. Notwithstanding the preceding portions of this paragraph, if any default arises from a violation of law resulting from a change in law or a change in the interpretation or enforcement of law by a governmental entity, then such default shall not give rise to the termination of this Agreement so long as the defaulting party acts in accordance with a commercially reasonable plan of action to minimize the effect of such default prepared by the defaulting party and delivered to the other party. If Owner believes that any alleged termination is improper, Owner may file suit in the proper court challenging such termination. OWNER'S SOLE REMEDY WILL BE REINSTATEMENT OF THIS AGREEMENT AND SPECIFIC PERFORMANCE BY THE COUNTY. In the event of default which remains uncured after all applicable notice and cure periods, the County may pursue the remedies provided for in Paragraph IX(D) and (E) below or the preceding Paragraph IV(D), as applicable.
- B. The County shall not declare a default, and no default will be deemed to have occurred, when the circumstances giving rise to such declaration are the result of Force Majeure. Notwithstanding any other provision of this Agreement to the contrary, in the event a party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement (other than any obligation to make payment of any amount when due and payable hereunder), the obligation of such party, so far as it is affected by such Force Majeure, shall be suspended during the continuance of any condition or event of Force Majeure, but for no longer period, and such condition or event shall so far as possible be remedied with all reasonable dispatch. The party prevented or hindered from performing shall give prompt (but in no event later than twenty business days after the occurrence of such event) notice and reasonably full particulars of such event to the other party and shall take all reasonable actions within its power to remove the basis for nonperformance (including securing alternative supply sources) and after doing so shall resume performance as soon as possible. The settlement of strikes or lockouts or resolution of differences with workers shall be entirely within the discretion of the affected party, and that the above requirement that any Force Majeure shall be remedied with all reasonable dispatch shall not require the settlement of strikes, lockouts or differences by acceding to the demands of the opposing party in such strike, lockout or difference when such course is inadvisable in the reasonably exercised discretion of the affected party.
- C. The County shall notify Owner and any Lender (but only if the County has been provided with the name and notice information of the Lender) of any default by delivery of a Default Notice in the manner prescribed herein. The Default Notice shall

specify the basis for the declaration of default, and Owner shall have the periods of time specified in Paragraph IX(A) above to cure any default. If Owner provides notice to the County of the existence of a Lender under Paragraph XI(E) and includes the Lender's contact information, then the County shall be required to deliver a copy of any Default Notice to the Lender at the same time that it delivers the Default Notice to Owner. Such Lender shall have the right to cure any Owner default on Owner's behalf and shall be entitled to the same cure periods provided for Owner under this Agreement.

D. As required by section 312.205 of the Texas Tax Code, if an Owner default remains uncured after all applicable notice and cure periods, the County shall be entitled to cancel the Agreement and recover the property tax revenue abated under this Agreement through the cancellation date, less any and all PILOTs made by Owner to County under this Agreement. Owner agrees to pay such amounts within sixty (60) days after the cancellation of this Agreement.

E. LIMITATION OF LIABILITY: CANCELLATION OF THE AGREEMENT (RESULTING IN A FORFEITURE OF ANY RIGHT TO ABATEMENT HEREUNDER BEYOND THE CANCELLATION DATE) AND RECAPTURE OF PROPERTY TAXES ABATED ONLY AS PROVIDED FOR AND ONLY UNDER THE CIRCUMSTANCES DEFINED IN PARAGRAPH IX(D) OF THIS AGREEMENT OR PARAGRAPH IV(D) OF THIS AGREEMENT (BUT LESS ANY AND ALL PILOTS MADE BY OWNER PRIOR TO CANCELLATION), ALONG WITH ANY REASONABLY INCURRED COURT COSTS AND ATTORNEYS' FEES, SHALL BE THE COUNTY'S SOLE REMEDY, AND OWNER'S SOLE LIABILITY, IN THE EVENT OWNER FAILS TO TAKE ANY ACTION REQUIRED BY THIS AGREEMENT, INCLUDING ANY FAILURE TO PAY AMOUNTS OWED UNDER THIS AGREEMENT. OWNER AND COUNTY AGREE THAT THE LIMITATIONS CONTAINED IN THIS PARAGRAPH ARE REASONABLE AND REFLECT THE BARGAINED FOR RISK ALLOCATION AGREED TO BY THE PARTIES. IN THE EVENT OF A BREACH OF THIS AGREEMENT, ANY TAXES DUE BY OWNER SHALL BE SUBJECT TO ANY AND ALL STATUTORY RIGHTS FOR THE PAYMENT AND COLLECTION OF TAXES IN ACCORDANCE WITH THE TEXAS TAX CODE.

F. Any Default Notice delivered to Owner and any Lender under this Agreement shall prominently state the following at the top of the notice:

NOTICE OF DEFAULT UNDER TAX ABATEMENT AGREEMENT

YOU ARE HEREBY NOTIFIED OF THE FOLLOWING DEFAULT UNDER YOUR TAX ABATEMENT AGREEMENT WITH THE COUNTY. FAILURE TO CURE THIS DEFAULT WITHIN THE TIME PERIODS PROVIDED BY THE AGREEMENT SHALL RESULT IN CANCELLATION OF THE TAX ABATEMENT AGREEMENT AND, IF PERMITTED, RECAPTURE OF TAXES ABATED PURSUANT TO THE AGREEMENT.

X. Compliance with State and Local Regulations

Nothing in this Agreement shall be construed to alter or affect the obligations of Owner to comply with any order, rule, statute, or regulation of the County or the State of Texas.

XI. Assignment of Agreement

- A. The rights and responsibilities of Owner hereunder may be assigned, in whole or in part, only after obtaining the County's prior consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Any assignment by Owner under this paragraph without first obtaining the consent of the County, which shall not be unreasonably withheld, shall be a default under this Agreement subject to the notice provisions of Article VIII above. Owner shall give forty-five (45) days' written notice of any such intended assignment to the County, and the County shall respond with its consent or refusal within thirty-five (35) days after receipt of Owner's notice of assignment. If the County responds to Owner's notice of assignment with a refusal, the parties agree to work together in good faith to resolve the County's objections to the assignment. Owner's assignment of the Agreement shall be final only after the execution of a formal assignment document between Owner and the assignee and the delivery of notice of the execution of such assignment agreement to the County. Neither Owner's notice of an intended assignment nor the County's formal consent to an intended assignment shall constitute an assignment of the Agreement, and Owner's request for a consent to assignment shall not obligate Owner to assign the Agreement.
- B. No assignment under Paragraph XI(A) shall be allowed if (a) the County has declared a default hereunder that has not been cured within all applicable notice and cure periods, or (b) the assignee is delinquent in the payment of ad valorem taxes owed to the County or any other taxing jurisdiction in the County.
- C. The parties agree that a transfer of all or a portion of the ownership interests in Owner to a third party shall not require the consent of the County. However, Owner shall provide the County with written notice of any such assignment within thirty (30) days after completion of the assignment.
- D. Upon any assignment and assumption under Paragraph XI(A) of Owner's entire interest in the Agreement, Owner shall have no further rights, duties or obligations under the Agreement. Tax Abatement Guidelines and Criteria

Adopted July 25, 2022

The purpose of this document is to establish guidelines, and a uniform policy of tax abatement for owners or lessees of eligible facilities willing to execute tax abatement contracts designed to provide long term significant positive economic impact to the community by utilizing the area contractors and work force to the maximum extent feasible, and by developing, redeveloping, and improving property.

In order to be eligible for designation as a reinvestment zone and receive tax abatement, the planned improvement:

- A. Must be reasonably expected to have an increase in positive net economic benefit to Webb County of at least Ten Million Dollars (\$10,000,000.00) over the life of the abatement, computed to include (but not limited to) new sustaining payroll and /or capital improvement. The creation of (number and type) new jobs will also factor into the decision to grant an abatement; and
- B. Must not be expected to solely or primarily have the effect of merely transferring employment from one area of Webb County to another.

In addition to the criteria set forth above, the Webb County Commissioners Court reserves the right to negotiate a tax abatement agreement in order to compete favorably with other communities.

Only that increases in the fair market value of the property directly resultant from the development, redevelopment, and improvement specified in the contract will be eligible for abatement and then only to the extent that such increase exceeds any reduction in the fair market value of the other property of the Applicant located within the jurisdiction creating the reinvestment zone.

All abatement contracts will be for a term no longer than allowed by law.

It is the goal of Webb County to grant tax abatements on terms and conditions beneficial to the economic interests of the residents of Webb County and to other taxing units having jurisdiction of the property. However, nothing herein shall limit the discretion of the Webb County Commissioners Court to consider, adopt, modify or decline any tax abatement request.

This policy is effective as of July 25, 2022 and shall at all times be kept current with regard to the needs of Webb County and reflective of the official views of the County Commissioners Court and shall be reviewed every two years.

The adoption of these guidelines and criteria by the Webb County Commissioners Court does not:

- A. Limit the discretion of the governing body to decide whether or not to enter into a specific tax abatement agreement;
- B. Limit the discretion of the governing body to delegate to its employees the authority to determine whether or not the governing body should consider a particular application or

request for tax abatement;

- C. Create or deny any property, contract, or other legal right in any person to have the governing body consider or grant a specific application or request for tax abatement;

 5. A time schedule for undertaking and completing the planned improvements. In the case of modernization, a statement of the assessed value of the facility, separately stated for real and personal property, shall be given for the tax year immediately preceding the application. The application form may require such financial and other information as the County deems appropriate for evaluating the financial capacity and other factors of the applicant.

- D. All checks in payment of the application fee shall be made payable to Webb County. - E. Webb County shall give notice as provided by the Property Tax Code, i.e. written notice, to the presiding officer of the governing body of each taxing unit in which the property to be subject of the agreement is located not later than the seventh day before the public hearing and publication in a newspaper of general circulation within such taxing jurisdiction not later than the seventh day before the public hearing. Such request shall include all the items listed in Section 3(B) and may include a complete description of the circumstances which prompt the applicant to request a variance. The approval process for a variance request shall be identical to that for a standard application and may be supplemented by such additional requirements as may be deemed necessary by the Commissioners Court. To the full extent permitted by applicable law, the Commissioners Court shall have the authority to enter into an abatement agreement with terms and conditions that vary from the terms and conditions in these Guidelines, but only so long as the Commissioners Court determines that such variances are in the best interests of Webb County. Any terms or conditions contained in an abatement Agreement approved by the Commissioners Court that vary from the terms and conditions in these Guidelines shall automatically be deemed to have been granted an approved variance by the Commissioners Court, shall be binding and enforceable as agreed to in the abatement Agreement, and shall control in the event of any inconsistency or conflict with these Guidelines. A variance granted to any applicant shall not be deemed a variance for any subsequent applicant.
- H. Confidentiality Required. Information that is provided to the County in connection with an application or request for Tax Abatement and that describes the specific processes or business activities to be conducted or the equipment or other property to be located on the property for which Tax Abatement is sought may be deemed as confidential and not subject to public disclosure only if specifically identified by the Applicant, and segregated from the remaining portions of the Application. Once the Tax Abatement Agreement is executed, all attachments to the Abatement Agreement shall become public. All information in the custody of a taxing unit after the Agreement is executed is Public Record, and not confidential.

 - a. of similar quality to those provided by nonresidents; or

- b. made available on terms and conditions (including pricing) comparable to those offered by nonresidents. Comparable price shall be defined as less than or equal to 100% (105% in cases of contracts with a gross value of not more than \$25,000.00) of the nonresident price for equivalent quality, conditions and terms.
4. Owner or its construction contractor, if any, shall designate a coordinator of local services who will act as liaison between any individuals, businesses, and contractors residing or doing business in Webb County who are interested in obtaining information about providing goods or services related to the construction of the project.
